Rituals, Consumption, and Marketing Cele Otnes,Tina M. Lowrey,2025-09-30 Rituals Consumption and Marketing A Research Companion is a compendium of cutting edge scholarship exploring the relevance roles and functions of rituals in consumer culture a topic that has burgeoned within the marketing field The volume theoretically expands on the understanding of rituals in marketing and consumer culture and how consumption rituals emerge and evolve through seven key parts 1 conceptual understandings of ritual 2 rituals and marketing strategy 3 culturally rooted rituals 4 rituals and well being 5 rituals in childhood and adolescence 6 rituals media and technology and 7 writing rituals With contributions from international scholars ranging from early career researchers to those who pioneered ritual scholarship in marketing it showcases the ways rituals can contribute both to the well being of consumers and the business objectives of marketers This book will be a valuable resource for academics in the marketing field pursuing ritual scholarship It will act as a rich resource for creating assignments cases and projects in courses on consumer culture consumer behavior and marketing strategy It will also inspire practitioners to make their customers experiences more meaningful and memorable

Moving Pictures Darl Larsen,2024-06-18 Take a deep dive into the history of cinematic animation in the United States with the remarkably thorough and detailed Choice book that Publishers Weekly says is a lively chronicle of a perennially evolving medium Animated films started with simple sequential drawings photographed one at a time little bits of comedic fluff to make amateur title scenes or surreal escapist sequences Today animation is a worldwide industry valued at nearly 300 billion and still growing in scope and popularity In Moving Pictures Darl Larsen playfully lays out the history of American

animation as it transitioned from vaudeville sub feature to craftsman like artistry to industrial diversion and ultimately to theatrical regulars on par with blockbusters Larsen identifies and discusses the major figures movements and studios across the nearly 120 years of animation in the United States Progressing chronologically the book follows animation from stage performance through to its use as wartime propaganda its seven minute heyday and decamp to television and finally the years of struggle as cartoons became feature films Covering everything from the generations preceding Mickey Mouse to recent releases such as Super Mario Bros Moving Pictures is an essential read for movie fans and a nostalgic revisiting of some of America s favorite films Adaptation in Young Adult Novels Dana E. Lawrence,Amy L. Montz,2020-09-03

Adaptation in Young Adult Novels argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten The textual afterlives of classic texts raise questions for new readers What can be changed What benefits from change How can you too be agents of change The contributors to this volume draw on a wide range of contemporary novels from Rick Riordan s Percy Jackson series and Megan Shepherd s Madman s Daughter trilogy to Jesmyn Ward s Salvage the Bones adapted from mythology fairy tales historical places and the literary classics of Shakespeare Charles Dickens Jane Austen and F Scott Fitzgerald among others Unpacking the new perspectives and critiques of gender sexuality and the cultural values of adolescents inherent to each adaptation the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally historically and socially aware through the lens of literary diversity *Family Reading Night* Darcy J. Hutchins,Joyce L. Epstein,Marsha D. Greenfeld,2014-09-19

Host family reading nights at your school These events promote literacy outside of the classroom and encourage families to get involved in their children s achievement They also build relationships among educators families and community partners This practical book is full of step by step guidelines and reproducible activities to help you bring family reading nights to life in your own school or district Special Features The book is organized by month of the school year so you can quickly find activities that meet your needs Each activity is easy to implement and includes a page of instructions for teacher leaders and an activity page for families An appendix provides all of the forms you need to get your Family Reading Night started including invitations and registration sheets All of the family activities can be photocopied or downloaded for free from our website www.routledge.com/books/details/9781138021471 so that you can print and distribute them during your event This enhanced second edition includes connections to the Common Core State Standards for reading It also features a special new appendix with all of the family activities translated into Spanish to help more families get involved **The Infinity Gate** Sara Douglass,2011-07-26 Tencendor is no more The land is gone But a few SunSoars still remain And a new foe walks the world Ishbel Brunelle priestess of the Serpent Coil and Maximilian the Lord of Elcho Falling have raised the magic of Elcho Falling and found new allies against the darkness in the mysterious Lealfast And more crucially still Axis SunSoar former god

and current hero has rediscovered the magical Star Dance and revived his legendary Strike Force to push back the evil hordes commanded by the DarkGlass Mountain But their enemy grows stronger through blood and betrayal the Leafast have their own agenda and when unexpected treachery threatens Axis SunSoar must face a darkness greater than any he has ever known
