Engineers' Guide to Technical Writing Kenneth G. Budinski,2001-01-01 Annotation An engineer with experience in the automotive and chemical process industries Budinski has compiled material he used to train new engineers and technicians in an attempt to get his co workers to document their work in a reasonable manner He does not focus on the mechanics of the English language but on the types of documents that an average technical person will encounter in business government or industry He also thinks that students with no technical background should be able to benefit from the tutorial c Book News Inc **Technical Writing** Diana C.
