Filmmaker begins with an exploration of biographical studies and analytical treatments of Lupino's film and television work as director moving forward to assess Lupino's career in film and television with particular attention given to Lupino's singular pioneering achievements and her role's within the cultural milieu's of her time particularly the representation of women in cinema Each chapter includes a close analysis of the film or television work with insights drawn from film history and cultural gender studies to demonstrate that Lupino was a significant directorial figure in the development of film especially in the late 1940s and early 1950s and in television extending well into the 1960s Lupino left her imprint on filmmaking and her canon of film and television work continue to influence Hollywood movie making The contributors to this volume assess Lupino's main strengths as a filmmaker her treatment of narrative movement plotting dialogue gender roles and uses of tradition representations of men and women in frames of parody and satire The book collectively examines the successes and failures of Lupino's directorial career including focusing on the reasons why she initially proved to be so strategic to the progress of women behind the camera

**All about Thelma and Eve** Judith Roof, 2002 Inviting us to wallow in the middle Judith Roof offers a fresh inventive look at female comic secondary characters who though never on center stage play an indispensable role in enriching and complicating the course of the narrative Paying attention to these characters shows that narrative is not always as straight as it might seem Focusing on such superb comic seconds as Eve Arden Thelma Ritter Rosalind Russell and Whoopi Goldberg Roof explores what is queer about the middle in the sense of eccentric and in terms of desire and how that queerness functions as a part of and an antidote to narrative Shrewd pragmatic self-denying perceptive outspoken and witty these female characters are able to cross the bounds of social groupings gender expectations and propriety presenting possibilities that threaten the fitting ends of narrative closure norms such as heterosexuality production reproduction knowledge and victory Roof characterizes female seconds as modern day versions of the Shakespearean fool able to speak the truth without being punished for it Discussing films ranging from *Mildred Pierce* *Auntie Mame* and *Rear Window* to *Stage Door* *Sister Act* and *The Associate* she shows how Hollywood's recasting of the wise servant figure as female unattached and lower class reflects more general cultural anxieties about the role of women gender confusion race and class distinctions She also tracks changes in the form and function of the minor and middle from the stylized hierarchical economy of classical Hollywood film to the expanded serial variety fitted to 1990s commodity culture A meticulous playful rereading of Hollywood classics from the margins All about Thelma and Eve registers both delight in these female characters and discernment of their integral role in unseating narrative and other norms

Someday Soon Debbie Macomber,2009-10-13 Fall in love with the first book in Debbie Macomber s Deliverance Company series featuring a romance between a mercenary and a widow inexplicably drawn together Cain McClellan had chosen his lifestyle He thrived on the challenge the rush that came with putting his life in incredible danger No woman he told himself could make him feel the way he did after a successful mission no matter how beautiful she was So why was he standing on a cold pier like a lovelorn teenager hoping for a glimpse of Linette Collins But then he saw her and the sight of her took his breath away The wind whipped her lustrous dark hair about her face and she lifted a finger to wrap a thick strand behind her ear The smart thing to do was turn around and walk away as fast as his feet would carry him He d gotten what he wanted One last look at her His curiosity should be satisfied But even as his mind formulated the thought Cain knew that just seeing Linette again could never be enough Ida Lupino, Forgotten Auteur Alexandra Seros,2025-01-14 An archival study of Ida Lupino s work in film and television directing writing producing and acting from the 1940s to the 1970s Though her acting career is well known Ida Lupino was until very recently either unknown or overlooked as an influential director One of the few female directors in Classical Hollywood Lupino was the only woman with membership in the Directors Guild of America between 1948 and 1971 Her films were about women without power in society and engaged with highly controversial topics despite Hollywood s strict production code Working in a male dominated field Lupino was forced to manage her public persona carefully resisting attempts by the press to paint her solely as a dutiful wife and mother a continual feminization just so that she could continue directing Filmmaker Alexandra Seros retells the story of Ida Lupino s career from actor to director first in film then in television using archival materials from collections housed around the world The result provides rich insights into three of Lupino s independently directed films and a number of episodes from her vast television oeuvre Seros contextualizes this analysis with discussions of gendered labor in the film industry the rise of consumerism in the United States after World War II and the expectations put on women in their family lives during the postwar era Seros s portrait of Lupino ultimately paints her life and career as an exemplar of collaborative auteurship Cue ,1966 Hayley Mills: Disney Legend Ryal McMurry,2025-08-13 Hayley Mills Disney Legend is a loving tribute to a very talented actress Hayley
