## Why Pray:

**Why Pray?** John R. Rice, 2000-08      **Why Pray?** Shirley Ford, 2025-07-02 God has given each one of us breath to breathe a voice to speak and a mind to be able to decipher things God has given us knowledge through His Word to be able to speak a word in due season therefore we can say something that might be of great help to someone God can and will give us the ability to help someone in whatever way we need to help them according to His will We cannot take it lightly that God will use us to do some awesome things because we serve an awesome God So why would we not be ready to serve in any way that He wants us to We can do all things through Christ which strengthens us But how can we serve if we don't communicate with Him to know and understand exactly what He wants us to do or to say Why Pray is just a conversation that will hopefully help all who read it be more encouraged to allow prayer to be the most consistent lifelong tool they use in connecting with our Heavenly Father

*Why Pray?* Michael R. Saia, 2014-03-27 Why Pray What is it about the nature of reality that makes it necessary to pray Is the future of the world fixed or can prayer change the course of history Are there some things that will not happen because we did not pray If the will of God is always done is there any need to pray at all Joel A Bell Lead Pastor at Hillsong Church in Australia comments I have been deeply impacted by Michael's resources both previous books and his teaching on the atonement Many people have given voice to the subject of prayer how when what it looks like but I have not yet heard anyone explain Why Pray not like this Michael has a thorough grasp of scripture and the surrounding themes that relate to such a topic as this I have noticed my own conversations with the Lord changing as a result of this book I have become more aware of God's presence and His desire to be involved in my daily situations My prayer is that God will ignite a fire within you to know Him in a greater way so that you will understand Why Pray Peter Warren Southwest USA Director of Youth With A Mission says Prayer changes things I grew up hearing people say this And then one day I began to question if prayer could actually change outcomes Did it have the power to alter the course of history or are we simply doing it because the Bible tells us to but ultimately it has no real impact on the world in which we live Mike's book addresses this question head on It is the best exposition I have ever read that answers the question Why pray Why Pray will revolutionize your prayer life and if you're anything like me you'll gain a new motivation to partner with God to forge change for the good in this broken and hurting world Dean Harvey Pastor Teacher and Missionary with Youth With a Mission observes Michael R Saia's book Why Pray is a theological feast I think the theological aspect of prayer is more important to me as a pastor and teacher I myself have had a hard time with prayer at times specifically because of some of the issues Saia raises I can't think of a single question I have had about the theology of prayer in the last 61 years which Saia did not address I believe he is one of the best theologians of our time I heartily recommend Why Pray It needs to be read by all serious Christians Michael R Saia had a teaching ministry as a missionary for seventeen years He and his wife traveled extensively teaching in missionary training schools churches and seminars Mike is a published author with a book on counseling that won the Book of the Year
