Sleeper Lexi Blake, 2017-10-17 When Neil's past catches up to him Kelsey must choose between her new family and an old love With tensions rising between the Council and demonkind Kelsey finds herself investigating a series of murders that threaten the fragile truce between them If she can't stop these killings soon they could ignite a fire sure to burn the supernatural world down Unfortunately for her Kelsey's problems don't stop with a pile of dead halflings Her connection with Marcus is frayed at best and Gray hasn't been heard from in months Her only semblance of peace comes from a new man in her life When Gray storms back into the picture her love life goes from incredibly complicated to apocalyptic Just as Kelsey begins to unravel the mystery the forces of Heaven decide to take an interest in her actions Outclassed with these powers in play Kelsey knows that one misstep could leave the human and supernatural worlds in ashes A Hunter A Thieves Series Novel by Lexi Blake

Song of Angels Michelle Loring, 2016-01-20 The first three books in the Angel's Voice Series Resounding Echo Silent Sound Quiet Whisper Resounding Echo The battlefield of angels and demons is no place for a mortal Selissa has no memories from before the priests at the temple of Issara found her battered and bruised outside their gates years ago All she has from her past life is a strange symbol on her back and frightening confusing dreams Her new life is thrown into disarray when the mysterious traveler Alassane arrives at the temple With him follows the horrors her lost memories have been hiding Selissa suddenly finds herself fighting for her life and comes to realize that no one is what they pretend to be Silent Sound Life is much simpler when myths are merely fairy tales Selissa hardly thought her life could get any weirder but the gods appeared to have developed a sadistic fondness for proving her wrong A request for her help with solving a series of mysterious attacks at a temple seemed fairly simple But everything suddenly becomes far more complicated once Selissa is told who she needs to protect from the unknown assailant Because the target just happens to be the son of the archangel Arnath Quiet Whisper The victims will be many as long as war is part of human nature A chance meeting with someone from her past causes Selissa to once again find herself in the middle of someone else's fight This time her unusual task involves neither angels nor demons but leads her into the heart of Verdohna where a war is raging between the military and the Rebellion And while she is far from home Selissa is offered new allies The only thing she has to do is to rescue a man from the executioner's axe Right in the middle of the most heavily guarded stronghold in Verdohna **Omer** Karyn
