

The background of the cover is a teal-tinted photograph of a suspension bridge, likely the Golden Gate Bridge, with its massive steel towers and cables. Overlaid on this background are three white mathematical diagrams. The top diagram shows a curve with vertical lines representing a Riemann sum or numerical integration. The middle diagram shows a coordinate system with a curve and a tangent line, illustrating differential calculus. The bottom diagram shows a coordinate system with a curve and a normal line, illustrating analytical geometry. The title text is positioned in the upper right quadrant.
