Pro Coworking Spaces:

Shared Space and the New Nonprofit Workplace China Brotsky, Sarah M. Eisinger, Diane Vinokur-Kaplan, 2019-05-31 While the economy has boomed since the Great Recession so too have real estate rents and gentrification in cities across North America nonprofits priced out of formerly affordable neighborhoods lack adequate workplaces to meet their missions Shared Space and the New Nonprofit Workplace presents a comprehensive overview of shared space as an innovative model and effective long term solution for nonprofit organizations need for stable and affordable office and program space In particular it focuses on co locating multiple nonprofits in shared spaces often called nonprofit centers with shared services and a collaborative culture This comprehensive resource provides a practical road map to develop new workspaces documents benefits for nonprofit staff organizations and their communities presents challenges and solutions from successful nonprofit shared spaces and considers nonprofit centers history and future trends Further it offers nonprofits an opportunity to engage in forward thinking practices such as collaborative service delivery green building operations and cross sector alliances The book will be useful to nonprofit executives staff and board members foundations philanthropists real estate and urban planning professionals interested in creating these projects and researchers and students of the nonprofit sector

Place-Based Spaces for Networked Learning Lucila Carvalho, Peter Goodyear, Maarten de Laat, 2016-07-01 With the boundaries of place softened and extended by digital communications technologies learning in a networked society necessitates new distributions of activity across time space media and people and this development is no longer exclusive to formally designated spaces such as school classrooms lecture halls or research laboratories Place based Spaces for Networked Learning explores how qualities of physical places make both formal and informal education in a networked society possible Through a series of investigations and case studies it illuminates the structural composition and functioning of complex learning environments This book offers a wealth of key design elements and attributes for productive learning that educational designers can reuse in multiple contexts The chapters examine how places are modified expanded or supplemented by networking technologies and practices in order to create spaces in which learners can collaboratively develop new understandings connections and capabilities Utilizing a range of diverse but complementary perspectives from anthropology archaeology architecture geography psychology sociology and urban studies Place based Spaces for Networked Learning addresses how material places and digital spaces are understood how sense can be made of new assemblages and configurations of tasks tools and people how the real time analysis of new flows of data can inform and entertain users of a space and how access to the digital realm changes our experiences with both places and other people *The Psychological Challenges of Remote Working* Naval Garg, Freda Van Der Walt, John Burgess, 2023-06-27 Research in Organizational Change and Development Debra A. Noumair, Abraham B. (Rami) Shani, 2020-07-31 Volume 28 of Research in Organizational Change and Development continues the tradition of providing insightful and thought provoking chapters with new conceptual

insights and robust empirical studies This volume provides an enriching body of knowledge on contemporary challenges in organizational change and development Good Data in Business and Professional Discourse Research and Teaching Geert Jacobs,Sofie Decock,2021-01-27 This edited book engages with the richly interdisciplinary field of business and professional communication aiming to reconcile the prescriptive ambitions of the US centred business communication tradition with the more descriptive approach favoured in discourse studies and applied linguistics A follow up to the award winning book *The Ins and Outs of Business and Professional Discourse* Palgrave Macmillan 2016 this volume brings together scholars and their recent work from wide ranging business and professional settings to engage with the question of what counts as good data The authors focus on four key themes authenticity triangulation background and relevance to shine a light on business and professional discourse as essential contextual and intertextual This book will be of interest to scholars working in applied linguistics sociolinguistics and business communication but also other social scientists interested in a range of perspectives on oral written and digital language use in workplace settings Digital Nomads. How the era of digitalization creates alternative lifestyles Lisa-Marie Wagner,2020-06-18 Bachelor Thesis from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1.6 language English abstract In this paper the phenomenon of digital nomadism in permanent employment is presented In general digital nomads are characterized by their independence of location their employment in the digital space and common values Most of them are freelancers and entrepreneurs but also employees who are part of this movement want to leave the conservative concept of normal employment and break new ground First the changes in the business world and the emergence of digital nomadism were presented in this paper Due to a lack of literature guideline based expert interviews were conducted to gain insight into the opportunities and risks of the multi local lifestyle concept for employees and companies In addition the framework conditions for companies and digital nomads required by this work and life concept were examined and presented in detail Such a framework condition can mean for example the adaptation of processes and leadership There are also differences between completely remote companies and only partially remote companies which can lead to a split company structure In this context the similarities and differences between traditional telework and digital nomadism in permanent employment were also examined These are similar for example regarding the technical prerequisites that should be created in companies and the changed communication In addition there are challenges and opportunities that arise from the travel component and the nature of digital nomadism such as negatively impaired processes due to time differences or certain characteristics and experiences that digital nomads possess or experience that can be used positively in a professional context Thus this work not only serves a scientific purpose but also provides a practical framework for employing digital nomads in traditional companies *The Design of a Luxury Car Center in Bangkok* Amir Kamyabi,2020-12-14 Bachelor Thesis from the year 2019 in the subject Art Architecture History of Construction course Interior Architecture language English abstract This thesis

proposes a design that explores the value of experience and entertainment during servicing in order to create a more user friendly experience and satisfaction for the costumer Through exhibitions we will be able to showcase luxury car brands And the use of a gathering space and a co working and conventional space would be the base for interactions between users The car service center would be a mixed use service The thesis will utilize architectural and design techniques for more interactive spaces so that users become more familiar with the history of luxury car brands and the direction different brands are headed towards It will serve as a place of exhibition sales and services as well holding conferences to utilize the building and the hotels connected This building will act as a land mark that attract luxury users Thonburi District The Luxury Car Center will be located near the intersection of Charoen Nakhon and Rama III in order to both benefit from such a mixture of a service community and center so that other car service costumers in the area also could utilize this active space This center will act as a mixture of the past present and future A center that drives on fulfilling the needs of customers **Work well**
