

12 STRATEGIES TO SUPPORT STRUGGLING WRITERS IN ELEMENTARY SCHOOL

Writing scaffolding strategies for elementary teachers to help all writers be successful

1 SHARE IDEAS BEFORE WRITING

Get creative juices flowing! Students orally share ideas before writing (with a peer, as a whole group, or even record ideas using a technology device).

2 COLLABORATIVELY WRITE

Instead of having students start writing on their own, first, collaboratively write together as a class. Have different students share ideas to create a collaborative writing sample.

3 SENTENCE STARTERS

Often times a student will say, "I don't know what to write about," and a sentence starter can help guide them with their writing.

4 WRITING WARM-UP

Writing warm-ups are great to help students get their creative juices flowing. They are also helpful to encourage students to write down their thoughts.

5 PRE-WRITING

Brainstorming is a powerful tool to help writers flush out all the ideas and then a Focus Storm helps them to organize and fine-tune their ideas.

6 GRAPHIC ORGANIZERS

Breaking writing up into more manageable chunks (i.e., breaking a paragraph into sentences) makes the task seem less daunting and more doable.

7 MODELING AND GUIDED WRITING

Before having your students begin a writing assignment, show them models (teacher created, or exemplar student examples from the past).

8 MINI WRITING LESSONS

Take 10 - 15 minutes to teach and practice a writing strategy (like writing a lead sentence for an informative writing assignment).

9 WRITING TOOLS

Giving students a writing toolbox will give them a resource to get support with their writing.

10 STUDENT CHOICE

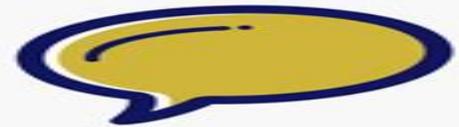

Even a little choice goes a long way with student writing. When students feel invested in a topic they will have more to say, thus more to write.

11 SENSE OF PURPOSE

It is important to create an authentic writing situation for students. When there is a greater purpose to their writing, even struggling writers invest more in the assignment.

12 CONFERENCE WITH STUDENTS

Find a time to meet with students in small groups or individually to identify each student's strengths and weaknesses.
