State of the Blues Jeff Dunas, 1998 State of the Blues is photographer Jeff Dunas's stirring tribute to the power of the blues an American tradition that has its roots in the Mississippi Delta and branches that have spread around the world One of the most vital early expressions of African American culture the blues makes poetry of sorrow and finds humor and bitter irony in the hardships of life It tells of loves lost and regained and of the fight for dignity in a world that judges people by the color of their skin Alongside a series of intimate portraits of the greatest blues performers of our time including B B King Koko Taylor Charlie Musselwhite Clarence Gatemouth Brown and many others the book presents Dunas's timeless photographs of the landmarks and byways of the Blues Highway a heritage trail through the American South that leads from New Orleans to Chicago where the blues continues to thrive today The Blues is the roots of all music It's the roots Blues has been here since the world was born Once there was women and men loving each other and breaking up that's the blues John Lee Hooker from the Preface

Metronome, 1958 **Jazz Cavalcade** Dave Dexter, 1928 *Many Wests* David M. Wrobel, Michael C. Steiner, 1997 What does it mean to live in the West today Do people tend to identify with states with regions or with the larger West This book examines the development of regional identity in the American West demonstrating that it is a regionally diverse entity made up of many different wests Great Plains Southwest Rocky Mountains and more in which American regionalism finds its fullest expression These fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them Wrobel and Steiner first offer a compelling overview of the West's regional nature then thirteen other rising or renowned scholars from history American Studies geography and literature tell how regional consciousness formed among inhabitants of particular regions All of the essays address the larger issue of the centrality of

place in determining social and cultural forms and individual and collective identities Some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature Some even examine western regionalism in areas that lie beyond the West as it has traditionally been conceived Each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger West but also about the constant state of flux in which regionalism exists Many books speak of the West as a place but few others deal with the West s different places Many Wests presents a vision of the West that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect New Western History toward an appreciation of regional diversity and integrate scholarship in the regional subfields It is a book for everyone who lives in studies or loves the West for it confirms that it is home to very different peoples economies histories and regions **Negro Digest** ,1945 Ebony ,1953 *The Best of the Blues* Robert Santelli,1997 The blues is enjoying a strong resurgence more people are listening to and buying blues music than ever before and they have a lot of music now to choose from Helping to sort out the confusion acclaimed rock critic and blues expert Robert Santelli has compiled a list of the 101 most important blues albums the works which are absolutely indispensable to a blues library No one can argue with the effort and dedication with which Santelli has gone about his task Each entry contains a thoroughly annotated discography with facts and dates as well as meaty descriptions that place the albums in historical and artistic context **Blues Unlimited** ,1986 CD Review Digest ,1994
