Teaching Assistants Guide To Primary Education:

Maximising the Impact of Teaching Assistants in Primary Schools Rob Webster, Paula Bosanquet, Sally Franklin, Matthew Parker, 2021-05-16 Drawing on the lessons from one of the world's leading research and development efforts involving teaching assistants (TAs) this book is the authors' most authoritative text yet on how to design a whole school plan to improve TAs' deployment practice and preparedness and put it into action. The authors use robust theories and original research to explore an innovative and integrated approach to making the most of TAs and recognising the valuable contributions they make to the classroom and the school. Structured around a unique and empirically sound conceptual framework, this book provides essential principles, practical tools and workable strategies developed through collaboration with hundreds of UK schools. It focuses on ensuring TAs can thrive in their role and presents the tools and techniques needed to do so accessibly and is illustrated with case studies on school and classroom practices. Essential reading for all primary school leaders and SENCOs responsible for training and managing TAs, this book is also a useful resource for teachers and teaching assistants looking to optimise the TAs' contributions. Used in combination with *The Teaching Assistant's Guide to Effective Interaction*, *Maximising the Impact of Teaching Assistants in Primary Schools* is a comprehensive and unrivalled guide to supporting school workforce improvement. *A Teaching Assistant's Guide to Primary Education* Joan Dean, 2005-11-14 This jargon-free book has been specially written for teaching assistants taking up posts in primary schools working at NVQ Level 2 and 3 of the National Occupational Standards of Teaching Assistants. It covers every area of primary education including an overview of primary education, the qualities, knowledge and skills needed, the curriculum, managing behaviour, evaluation and record keeping, professional development. Joan Dean knows primary education inside out and is well known in the field. She uses case studies based on real-life scenarios to provide a detailed yet accessible book, making it essential reading for teaching assistants. This guide will also offer support and advice to staff working with teaching assistants and to those who provide their training. **Children's Learning in Primary Schools** Mike Cowdray, 2012-09-11 What does learning look like? What are different subjects really about? Why are transferable skills so important? How can we overcome the difficulties that children encounter in their learning? And what questions and prompts are likely to prove useful in helping children to get the most out of their lessons? The overarching role of Teaching Assistants is to support teaching and learning in schools. To do this effectively, they need to understand the curriculum content of all the subjects in which they provide support and know what learning outcomes are sought. This accessible book provides an overview of the knowledge, skills, understanding and attitudes that children learn in each subject in their primary years. Written with the non-subject specialist in mind and drawing on research and best practice in the classroom, this extremely practical book aims to provide the reader with the information they need to deliver focused lessons to individual pupils, groups or the whole class, concentrate on the most important elements when making classroom resources, make valuable assessments of the children's

learning and keep useful records of their achievements progress and difficulties take a full part in discussions with colleagues selecting objectives devising interesting activities and delivering exciting lessons in each of the subjects Including a wide range of examples and activities this book will prove an invaluable companion for all students working on STLS and Foundation Degree courses and Teaching Assistants currently working in primary schools
