Bethune-Baker,2015-01-28 The Teaching of Jesus David Morison Ross,1904 *Teachings of Jesus Christ* Repsaj Jasper,2011-06-24 This is perhaps the first book detailing the teachings of the Lord Jesus Christ on many key aspects of the gospel of salvation and the kingdom of the God which had have been concealed and not revealed as CORNERSTONE teachings of the gospel of salvation The greatest consequence of this is the total contamination of the gospel of salvation while the true gospel or treasure has been hidden for centuries The author has been discipled and led to write this book in the face of the full contamination of the gospel of salvation and the kingdom of the God in order that believers may be revealed the true treasure so that they are able to understand the true gospel as taught by the Lord Jesus Christ the Saviour of the world when He was on the earth the first time Only when believers understand and obey the truth of the gospel will they be set free from slavery to the sin And only when those believers who are set free from slavery to the sin can they become sons of the God And only sons of the God can remain in the kingdom of the God forever meaning only sons of the God can receive everlasting life The Lord Jesus Christ is the Road and the Truth and the Life The Truth is the Word of the God And in the New Testament days the main truth is the gospel of salvation Therefore unless believers know meaning understand the truth concerning the gospel of salvation how can they obey the truth of the gospel to receive everlasting life And especially in the last days unless believers know the truth of the gospel how can they identify and reject false prophets

false teachers and false preachers who spread false gospel to lead them astray into everlasting fire In view of the many different variations of translation and interpretation of the teachings of Paul Peter John and James regarding the gospel of salvation it is imperative for believers to know and understand the CORNERSTONE teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God There is a plethora of writings by Christian authors and theologians and teachers on the teachings of Paul on the gospel of salvation relating to the law and works and love and faith and obedience and perfection etc Many preachers and teachers of the Word of the God were are confused themselves over such important issues For believers to know the correct interpretation and translation of the teachings of the apostles and prophets on the gospel of salvation and the kingdom of the God believers must know and understand the teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God The main topics taught by the Lord Jesus Christ as revealed in this Book are a Everlasting life b Righteous Righteousness c Kingdom of the heaven and kingdom of the God d Save Saved e Salvation f Resurrections g Live lived h Die or perish forever i Soul lose gain or save j Judgement based on works k The gospel of salvation Readers are urged to test the content in this Book against the Unadulterated Word of the God the original texts of the Holy Bible to prove and or to disprove its veracity Teaching Techniques of Jesus Herman Harrell Horne,1971 Published prior to 1971 under the title Jesus the master teacher **The Teaching of Jesus** George Jackson,2004-06 A recent writer has pointed out that sin like death is not seriously realized except as a personal fact We really know it only when we know it about ourselves The word sin has no serious meaning to a man except when it means that he himself is a sinful man And hence it comes to pass that we can still turn to the penitential Psalms to the seventh chapter of Romans to the Confessions of St Augustine or to the Grace Abounding of John Bunyan and make their words the language of our own broken and contrite hearts For when Bunyan and Augustine and Paul and the psalmists spoke of sin they spoke not the thoughts of others but their knowledge of themselves they looked into their own hearts and wrote **The Social Teaching of Jesus Christ** Francis Greenwood Peabody,1924 Christ's teaching and influence on the world, a lect., by the bp. of Ely Edward Harold Browne (bp. of Winchester.),1871 The Social Teachings of Christ Jesus William Beatty Jennings,1915 **The Church Teacher's Manual of Christian Instruction. Being the Church Catechism expanded and explained, etc** Michael Ferree Sadler,1872 *JESUS CHRIST* Edward D. Andrews,2019-03-26 No teacher in human history ever equaled Jesus Christ the Son of God whose words reshaped the world Yet many in today s churches have forgotten how He taught This book calls every pastor teacher and believer back to the biblical model of evangelism and instruction revealed in the life and ministry of the Great Teacher Himself With clarity and depth Edward D Andrews examines how Jesus reasoned from Scripture asked thought provoking questions spoke with simplicity and used parables logic and vivid illustrations to reach hearts and minds Each chapter explores a distinct aspect of Christ s teaching method and shows how it can be faithfully imitated in the modern pulpit classroom and conversation Readers will learn how to communicate truth without compromise

engage skeptics with grace and teach God's Word with the same power and purpose that marked the ministry of Jesus. Drawing on the Updated American Standard Version UASV and grounded in sound evangelical scholarship, this volume is both practical and deeply devotional, equipping all Christians to evangelize and disciple as their Master did. Learn from the Teacher. Follow His method. Teach His Word. *All the Teachings of Jesus* Herbert Lockyer, 2003-04. Book jacket. *The American Catalogue*, 1905. **Gospel-Centered Teaching** Trevin Wax, 2013-10-01. For small group leaders and Sunday school facilitators who prefer truth over technique, *Gospel-Centered Teaching* is refreshing in its simple purpose to remind you of something you already instinctively know: It's Jesus who changes lives, and the goal of your Bible study is to continually reintroduce people to Him. While discussing in depth common related concerns—missional apathy, biblical illiteracy in the church, shallow discussions, etc.—author and teacher Trevin Wax duly offers a practical guide to making sure your message is always surely centered on Jesus and what He has done. Fellow teachers, let's soak ourselves in the truths of the gospel and the Word. Then let's invite others to the fountain of living water offered freely by our Master Teacher, whose life and death changes everything. *Jesus Christ and the Christian Character* Francis Greenwood Peabody, 1905. The squabbling in the Bear household between parents and cubs subsides after Mama and Papa Bear, and Brother and Sister Bear perform humorous role-playing skits.
