Poems and Poetry for Children Peter B Messmore,2020-01-14 Young children love poetry They revel in its freedom and its capacity to express feelings They laugh unabashedly at silly poems A group of children hearing a good poem display a natural attentiveness that is almost impossible for an adult to create Their eyes grow larger with expectation as the poem develops During my 25 years of teaching elementary age children I have never had classroom discipline problems during the reading of an age and grade appropriate poem The phenomenon seems universal Something magical happens when a good poem opens children s emerging minds to poetic expression The intent of this book is to expose children to one form of writing poetry That form is end of line rhyming poetry Children as young as kindergarten age understand when simple words rhyme They love the meter and rhythm of poems that touch their lives But reading poetry to children and teaching them to begin writing it is almost non existent in most elementary school classrooms It is not surprising that children especially boys have little appreciation of poetry and the joy it can bring This book has two goals presented in two sections 1 Section one contains 40 original poems written by the book s author Each poem category had been carefully researched to insure that it is developmentally appropriate Toward this end the first 2 poems in each 10 poem category are written for primary age children grades k 3 The remaining 2 poems in each 10 poem category are written for intermediate age children grades 4 6 The ten poem categories are Silly Poems Happy Poems Sad Poems Wondering Poems Body Poems Mom and Dad Poems Animal Poems School Subject Poems Science Poems Mathematics Poems Social Studies Poems 2 The second section of the book features a guide to help parents grandparents and teachers teach elementary age children how to begin writing simple

end of line rhyming poetry It features three easy steps that any parent grandparent or teacher can use to introduce their child or children how to write rhyming poetry These steps have been field tested in a variety of elementary schools by the author and have proved to be effective in introducing children to poetry writing Teaching Poetry in the Primary School David Carter,2013-11-26 First Published in 1999 Based on the author s experience of teaching poetry to children for more thirty years this book offers guidance on engaging young children minds in poetry in line with the Literacy Hour Using Poetry Across the Curriculum Barbara Chatton,2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of Using Poetry Across the Curriculum Learning to Love Language offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition s focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them **Kids' Poems** Regie Routman,2000 Provides teaching strategies and describes the poetry writing process to help kindergartners write poems **Poetry for the young, a collection** Griffith, Farran, Browne and co,1881 *Children's Interests in Poetry* Miriam Blanton Huber,Herbert Bascom Bruner,Charles Madison Curry,1927 *Rose, Where Did You Get That Red?* Kenneth Koch,1990-06-16 A classic that revolutionized the way children are taught to read and write poetry The celebrated poet Kenneth Koch conveys the imaginative splendor of great poetry by Blake Donne Stevens Lorca and others and then shows how it maybe taught so as to help children write poetry of their own For this edition the author has written a new introduction and a special afterword for teachers Teaching Poetry in the Grades Margaret Winifred Haliburton,Agnes G.
