My Sheep Follow Me Jonathan R. Pratt,2026-02-24 How do believers persevere in the faith What does growth in holiness look like Christian teaching is often clear about justification how God saves his people but murky about sanctification or perseverance that is how believers grow in closeness to God over time Author Jonathan R Pratt explores what progress toward holiness looks like and how it takes place My Sheep Follow Me begins with an investigation of the New Testament teaching about perseverance Jesus s metaphors including the fruit of belief obedience and love Paul s demonstration of believers righteous responses to the Holy Spirit Belief as evidence in the letters of Paul and others The New Testament promises of God s help in perseverance God s use of his Word suffering the church and prayer to assure his people s perseverance in faith Pratt then surveys how antinomianism common in Protestant Christianity historically and today threatens biblical teaching He shows how a biblical doctrine of perseverance squelches the devastating effects of ignoring God s spiritual gifts to believers My Sheep Follow Me offers important cautions over distorted teaching and valuable encouragement in the process of Christian growth

The Teaching of Jesus in Parables George Henry Hubbard,1907

The Path to Salvation in Luke's Gospel MiJa Wi,2019-05-23 This book investigates Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s conclusion challenges its readers by asking the question along with Luke s audience What must we do
