Breaking the Devil's Pact James B. Jacobs, Kerry T. Cooperman, 2013-03-25 In 1988 Manhattan U S Attorney Rudy Giuliani brought a massive civil racketeering suit against the leadership of the International Brotherhood of Teamsters IBT at the time possibly the most corrupt union in the world The lawsuit charged that the mafia had operated the IBT as a racketeering enterprise for decades systematically violating the rights of members and furthering the interests of organized crime On the eve of trial the parties settled the case and twenty years later the trustees are still on the job Breaking the Devil s Pact is an in depth study of the U S v IBT beginning with Giuliani s lawsuit and the politics surrounding it and continuing with an incisive analysis of the controversial nature of the ongoing trusteeship James B Jacobs and Kerry T Cooperman address the larger question of the limits of legal reform in the American labor movement and the appropriate level of government involvement

The Devil at Baptism H.A. Kelly, 2004-01-30 The Christian baptismal ceremony was at first quite simple by the beginning of the third century it included complex anti demonic rites Henry Ansgar Kelly here describes the evolution of the rites of baptism from New Testament times to the present day and explores the impact of demonological theories on Christian liturgy Kelly begins by identifying the nature and origins of the evil spirits that are referred to in the New Testament which proved to be major subjects of speculation and theological development by the Church Fathers He then traces the history both of Christian demonology and of the initiation rituals clearly illustrating their parallel evolution and their interaction In his analysis Kelly examines not only the direct expression of demonological theory in the original ceremonies but also the symbolic reinterpretation of theoretically untenable rituals into allegorical dramas An astute and ambitious work The Devil at Baptism covers all the anti demonic rites of the catechumenate and baptismal services and compares developments in East and West since the emergence of Christianity It will be essential reading for anyone interested in the development of Christian liturgy in particular and in the history of religion in general
