A Christian Theology of the Cross Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God s approval of Abel s offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel s offering don t negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance

The Devil's Blind Spot Alexander Kluge,Martin Chalmers,2004 Scathingly clever short stories Includes *The Devil in the White House* and *The Development of Iraq as a Case for the Files* At once a genuine story teller and a literary documentarian Alexander Kluge s genius lies in the very special way he makes found material his own Each of the miniatures collected here touches on facts and is only several pages long In just a paragraph he can etch a whole world he is as great a master of compression as Kafka or Kawabata Arranged in five chapters the dozens of stories of *The Devil s Blind Spot* are condensed like novels in pill form The first group of stories illustrates the little known virtues of the Devil The second explores love from Kant and opera through the *Grand Guignol* The third is entitled *Sarajevo Is Everywhere* and tests how convincing power is The fourth group concerns the cosmos and the fifth ranges all our knowledge against our feelings In each piece Kluge alights on precise particulars on board the atomic submarine *Kursk* for instance we are marched precisely step by step through a black comedy of the exact disastrous stages of thinking that lead to catastrophe Sample titles include *The Devil in the White House* *The Development of Iraq as a Case for the Files* *Intelligence of the Second Degree* and *Love s Mouth Also Kisses the Dog*
