The Great Mistake:

The Great Mistake Jonathan Lee,2021-06-17 The Father of Greater New York is dead Shot outside his Park Avenue mansion in the year of our Lord 1903 In the hour of his death will the truth of his life finally break free Born to a struggling farming family in 1820 Andrew Haswell Green was a self made man who reshaped Manhattan built Central Park and turned New York into a modern metropolis Now at eighty three when he thought the world could hold no more surprises he is murdered As the detective assigned to the case traces his ghost across the city other spectres appear a wealthy courtesan a broken hearted man in a bowler hat and an ambitious politician Samuel whose lifelong friendship was a source of joy and frustration In a life of industry and restraint where is the space for love As restlessly inventive and absorbing as its protagonist The Great Mistake is the story of a city and a singular man transformed by longing *The Great Mistake* Mary Roberts Rinehart,2013-08-13 Murder leads to scandal at a wealthy woman s mansion in this mystery from a New York Times bestselling author with ten million books in print In an elaborate house known as the Cloisters Maud Wainwright rules supreme The queen of society in the small town of Beverly she has a table long enough to seat one hundred and she keeps an iron grip on the guest list Her right hand woman is Pat Abbott a local girl who is beautiful innocent and kind Pat has no idea how cutthroat high society can be but she s about to get a deadly first lesson Pat has fallen head over heels in love with Maud s son Tony a clever young rake with a single flaw his vicious gold digging wife At the same time that she is dangerously infatuated with a married man Pat s world is turned upside down by a series of attacks on the estate and a truly shocking murder To save Tony and Maud Pat must find the killer But the list of suspects is as long as one of Maud s guest lists When a woman has room at her table for one hundred friends she ll have more than her share of enemies Anyone who aspires to become a writer said the New York Times could not do better than to study carefully the methods of Mary Roberts Rinehart The Great Mistake is a classic example of the golden age murder mystery at its best **The Great Mistake** Mike Bamiloye,1996 *How Great Thinkers Transformed Our Ideas* C C Hagan,2024-05-28 This book represents a slice of the history of ideas science and philosophy mixed with their personal lives against how science mathematics and philosophy evolved over 300 years *The Devil's Bridge* Anthony Tucker-Jones,2020-06-25 This fascinating title offers a new look at Operation Market Garden and the Arnhem campaign from the perspective of the German forces who defended against the Allies In the late summer of 1944 SS Obergruppenf hrer Wilhelm Willi Bittrich found himself in the Netherlands surveying his II SS Panzer Corps which was in a poor state having narrowly escaped the defeat in Normandy He was completely unaware that his command lay directly in the path of a major Allied thrust the 17 September 1944 launch of the largest airborne and glider operation in the history of warfare Codenamed Operation Market Garden it was intended to outflank the German West Wall and bounce the Rhine at Arnhem from where the Allies could strike into the Ruhr Nazi Germany s industrial heartland Such a move could have ended the war However Market Garden and the battle for Arnhem were a disaster for the Allies Put

together in little over a week and lacking in flexibility the operation became an all or nothing race against time The plan to link the airborne divisions by pushing an armoured division up a sixty five mile corridor was optimistic at best and the British drop zones were not only too far from Arnhem Bridge but also directly above two recuperating SS Panzer divisions The Devil s Bridge explores the operation from the perspective of the Germans as renowned historian Anthony Tucker Jones examines how they were able to mobilise so swiftly and effectively in spite of depleted troops and limited intelligence
