The Grey Room:

The Grey Room Eden Phillpotts, 2016-01-12 THE HOUSE PARTY The piers of the main entrance of Chadlands were of red brick and upon each reposed a mighty sphere of grey granite Behind them stretched away the park where forest trees nearly shorn of their leaves at the edge of winter still answered the setting sun with fires of thinning foliage They sank away through stretches of brake fern and already amid their trunks arose a thin blue haze breath of earth made visible by coming cold There was frost in the air and the sickle of a new moon hung where dusk of evening dimmed the green of the western sky The guns were returning and eight men with three women arrived at the lofty gates One of the party rode a grey pony and a woman walked on each side of him They chattered together and the little company of tweed clad people passed into Chadlands Park and trudged forward where the manor house rose half a mile ahead Then an old man emerged from a lodge hidden behind a grove of laurel and bay within the entrance and shut the great gates of scroll iron They were of a flamboyant Italian period and more arresting than distinguished Panelled upon them and belonging to a later day than they had been imposed two iron coats of arms with crest above and motto beneath the heraldic bearings of the present owner of Chadlands He set store upon such things but was not responsible for the work A survival himself and steeped in ancient opinions his coat won in a forgotten age interested him only less than his Mutiny medal his sole personal claim to public honor He had served in youth as a soldier but was still a subaltern when his father died and he came into his kingdom *The Grey Room*

Eden Phillpotts, 2021-06-30 The grey room is a sleeping apartment supposed to be haunted by a ghost because two people have mysteriously died there Several other inexplicable deaths hold the reader in suspense until an Italian nobleman discovers a secret that goes back four hundred years to the Borgias More careful characterization and better constructed than the usual mystery story The Grey Room(annotated) Eden Phillpotts, 2020-05-07 Sir Walter Lennox owns a beautiful

red brick manor called Chadlands It is a the sort of place that everyone dreams of inhabiting with a large acreage of forest lofty gates and iron coats of arms But the property has a strange room referred to as the Grey Room If someone stays in the Grey Room overnight they would be dead by morning Sir Walter Lennox recounts the story to his close friends and family telling them about the various people who have died in the room over the years His guests interest is piqued and they demand to see the Gray Room for themselves and set up an experiment to see if the room is actually capable of killing whoever stays the night **The Grey Room (Classic Reprint)** Eden Phillpotts, 2017-01-20 Excerpt from The Grey Room

The youth started His eyes had been fixed on a woman sitting beside the fire with her hand in a man s It was such an attitude as Sophisticated lovers would only assume in private but the pair were not Sophisticated and lovers still though married They lacked self consciousness and the husband liked to feel his wife s hand in his After all a thing impossible until you are married may be quite seemly afterwards and none of their amiable elders regarded their devotion with cynicism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

Fantasmagoriana (Tales of the Dead) A.J. Day, 2005-09-27 It was on a dark and stormy night during the summer of 1816 that an eccentric group of English literati gathered at the Villa Diodati. The atmosphere at the Villa was charged by the violent streaks of lightning that licked at the mountain tops and split a black sky. As the wind outside whipped up the surface of Lake Lemano into a cauldron of waves, the occupants of the Villa—Lord Byron, Mary Shelley, Dr. John Polidori, Percy Shelley, and Claire Clairmont—whipped themselves into a gothic frenzy with recitals of haunting poetry and ghost stories. The stories that they read came from a book originally written in German that had recently been translated into French. The book that they read from was called *Fantasmagoriana*. *Fantasmagoriana* has a unique place in literary history. This is the first full translation of the stories that inspired Mary Shelley's *Frankenstein* and Dr. John Polidori's *The Vampyre*.
