hope that these essential lessons might be faithfully learned by God's people thereby laying a good foundation for the building up of the Body of Christ. More than half a century later these lessons take on more relevance than ever. Authority Submission. This century is characterized by anarchy and disobedience that produce disorder in all areas of life. This disorder slowly produces the destruction of all society. We need as a church to cleanse ourselves of all spirit of disobedience and rebellion to God. In this series of messages Watchman Nee teaches us what our attitude to God's authority should be: what is the correct submission to his authority which is rebellion. How the lordship of Christ is manifested in our life and other teachings.

[The Spiritual Man \(3\)](#) Watchman Nee, 1992-06-01. For more than seventy years *The Spiritual Man* Watchman Nee's classic on spiritual growth has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them. According to Nee, the most frustrating experience of believers today is that in seeking for progress in the spiritual path they do not find the proper way. As a result they grope in darkness, being at times high or low, lingering around the crossroads year in and year out and having no one to consult for direction. The author of this book was such a one. For this reason the book emphasizes clear guidance on the proper path. Every chapter of this book is for the purpose of directing the believers on the right course. Therefore all those who seek after God with an honest heart can go step by step accordingly. Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life. This electronic book is the third of three volumes.

The Spiritual Man (Commented Edition) Watchman Nee, 2026-01-15. *The Spiritual Man* Watchman Nee is a foundational Christian classic on spiritual growth explaining the difference between spirit, soul, and body and how believers learn to live by the Spirit. This book explores the functions of the human spirit, conscience, fellowship, intuition, the role of the soul, mind, emotions, will, and common spiritual pitfalls. The work of the cross in breaking the outer man and freeing the inner life. Discernment: what is natural, what is merely religious, and what is truly spiritual. Practical insight for maturity, guidance, and spiritual conflict. *The Spiritual Man Commented Edition With References* includes additional commentary and strong references to support study and deepen understanding. Compared with standard reprints, this edition provides clearer navigation of Nee's key themes and a more structured reading experience, ideal for serious personal study, discipleship, and rereading.
