The Messenger Brian T. Atkinson, 2019-10-18 Texas singer songwriter Hayes Carll declared Ray would be at the top of the list if I were gonna read about somebody's life In The Messenger The Songwriting Legacy of Ray Wylie Hubbard author journalist and music producer Brian T Atkinson demonstrates why Carll and so many others hold Ray Wylie Hubbard in such high regard Atkinson takes readers into and beyond the seedy bar in Red River New Mexico where the incident occurred that inspired Hubbard's most famous song Redneck Mother Hubbard tells the stories and Atkinson enlists other musicians to expound on the nature of his abiding influence as songwriter musician and unflinching teller of uncomfortable truths Featuring interviews with well known artists such as Eric Church Steve Earle Kinky Friedman Chris Robinson and Jerry Jeff Walker and also mining the insights of up and comers such as Elizabeth Cook Jaren Johnston Ben Kweller Aaron Lee Tasjan and Paul Thorn The Messenger makes clear why so many musicians across a wide spectrum admire Ray Wylie Hubbard Readers will also learn why Redneck Mother the song that put Hubbard on the map for most listeners is also a curse of sorts in its diminution of both his spiritual depth as a lyricist and his multidimensional musical reach As Hubbard himself says The song probably should have never been written let alone recorded let alone recorded again the most important part of songwriting is right after you write a song ask yourself Can I sing this for twenty five years Atkinson's work makes a convincing case that Ray Wylie Hubbard's truest and most lasting contributions will long outlive him And with a couple of good breaks they may even outlive Redneck Mother

The blacklist The Hollywood Ten These words evocative as they are do not reveal that from 1933 through 1947 Hollywood was the focal point of progressive political activity in the United States Nor do they convey that the imprisonments and blacklistings were not an isolated outbreak of Cold War hysteria but rather the successful conclusion of two decades of efforts by conservative and reactionary forces to curtail political activism in Hollywood In the thirties and forties Hollywood activists Lillian Hellman Ring Lardner Jr John Howard Lawson Albert Maltz Dalton Trumbo among others took part in countless political battles They founded guilds aided anti fascist forces in the Spanish Civil War and helped elect progressive candidates to public office But progressives were unwelcome in an industry dominated by the last tycoons especially since the industry was America s most glamorous and visible With the outbreak of the Cold War and the fear of anything labeled Communist that it engendered the right wing finally managed by means of the blacklist to bring thought control to Hollywood and to America This book tells the real story of how for a brief time and against immense obstacles a group of dedicated men and women transformed Hollywood from a glamorous symbol of unreality into the center of social and political consciousness in the United States Adapted from dust jacket
