

Four candles

The first candle represents our grief.

The pain of losing you is intense.

It reminds us of the depth of our love for you.

This second candle represents our courage.

To confront our sorrow, to comfort each other,
to change our lives.

This third candle we light in your memory.

For the times we laughed, the times we cried,
the times we were angry with each other, the
silly things you did, and for the caring and joy
you gave us.

This fourth candle we light for our love.

We light this candle that your light will always
shine, that we will share your memories with
our family and friends and cherish the special
place in our hearts that is always be reserved
for you. We thank you for the gift your living
brought to each of us.

We love you. We remember you.
