### **Three Men And Jennie:**

*Three Men and Jennie* Naomi Ellington Jacob,1966      **Jennie's Tiger: A Woman's Pioneering Stand in an Untamed Corner of Washington State** Eva Gayle Six,2011-11-15 The West's pioneering experience has been both documented and dramatized enough to give us all some impression for right or for wrong of what pioneers were and what they did Some of those impressions are dryly accurate and some are excitingly fictitious Jennie's Tiger is neither carefully researched and truthfully told it gives a reliable view of the homesteading experience as well as an engrossing and moving story of strong characters making for themselves the life they want The real Wes and Jennie Wooding homesteaded 160 acres on the Pend Oreille river in northeast Washington state from 1900 till 1923 Life before this chapter of their lives had been consistently hardscrabble and sometimes tragic Building their own home on their own land was the greatest success and the greatest contentment they had ever had They arrived at Tiger's Landing by steamboat with three small boys and cut down enough trees to build a 14 X 24 one story house to shelter them In that house named Hawthorn Lodge they soon added a fourth boy Like most settlers with no cash Wes had to work outside to earn the money for Proving Up the homestead He walked several hundred miles looking for the work he knew in the mines A devoted member of the Western Federation of Miners and a sincere Socialist Wes was ambivalent about the Wobbly movement and glad when after the required seven years he could stay at home and make his life at Tiger's Landing with Jennie and the boys While Wes was away Jennie was entirely capable of sheltering feeding clothing and raising the boys with her own skills With help from the children she chinked the cabin with river mud she kept the table laid with game and fish she provided and produce she grew she made furniture for the bare house she skillfully sewed clothes for the family She gradually turned the subsistence farm into a lucrative business Fearful of missing Wes's letters she started the first post office in her community As the boys reached school age she donated land and saw that the first school began to operate Bringing with her skills and medicines she became doctor nurse and midwife to the growing community Frustrated by goods that came from a riverboat that could run only half the year she started the first store Through all this Jennie was eternally buoyant she never felt misused or deprived only content proud and happy But when the outside world threatened Hawthorn Lodge in the form of a railroad right against the house Jennie found she had to swallow her anger and make the best of it When World War I took two of her boys away she did what she could to help the soldiers while hating the war Having successfully raised the four boys to strong men Jennie's years at Hawthorn Lodge Tiger Washington come to a tragic end and we last see her heading back to California and the outside world      *Supreme Court* ,

**Jennie Baxter, Journalist** Robert Barr, 2019-11-29 In *Jennie Baxter Journalist* Robert Barr crafts a compelling narrative that intricately weaves the complexities of early 20th century journalism with the ambitions of a pioneering female protagonist. Through a vibrant and engaging style Barr employs wit and observational humor to illuminate the trials and triumphs faced by Jennie as she navigates the male dominated world of newspaper reporting. Set against the bustling backdrop of Toronto the novel not only reflects the societal attitudes of its time but also serves as a poignant commentary on gender roles and professional aspirations making it a significant work in the canon of feminist literature. Robert Barr a Scottish born journalist and author who emigrated to Canada drew upon his own experiences in the newspaper industry to lend authenticity to Jennie's journey. Barr's background in business and storytelling enables him to portray nuanced characters who grapple with societal expectations while pursuing their ambitions. His intimate understanding of the press's evolution during this era enriches the narrative providing readers with a historically grounded perspective on the struggles and victories of journalists. *Jennie Baxter Journalist* is essential reading for those interested in the interplay of gender and media as well as for anyone who appreciates strong character driven stories. Barr's exploration of resilience and ambition wrapped in an entertaining narrative offers both inspiration and entertainment ensuring that Jennie's story remains relevant for modern audiences.
