Straws and Prayer-books James Branch Cabell,1924 **The Works of James Branch Cabell: Straws and prayer-books** James Branch Cabell,1930 **Petitionary Prayer** Scott A. Davison,2017-02-09 This volume explores the philosophical issues involved in the idea of petitionary prayer where this is conceived as an activity designed to influence the action of the all knowing all powerful perfectly good God of traditional theism Theists have always recognized various logical and moral limits to divine action in the world but do these limits leave any space among God s reasons for petitionary prayer to make a difference **Petitionary Prayer A Philosophical Investigation** develops a new account of the conditions required for a petitionary prayer to be answered by employing the notion of contrastive explanation With careful attention to recent developments in metaphysics epistemology and value theory Scott A Davison surveys the contemporary literature on this question He considers questions about human freedom and responsibility in relation to different views of divine providence along with the puzzles inherent in Christian teachings concerning petitionary prayer Davison develops new challenges to the coherence of the idea of answered petitionary prayer based upon the nature of divine freedom the limits of human knowledge and the nature of those good things that require a recipient s permission before they can be given He proposes new defences building upon careful analysis of the shortcomings of previous proposals and clarifying the issues for future debate

Praying in the Pine Straw Robert C. Morgan,2025-10-15 With reverence and wit Praying in the Pine Straw uncovers the untamed spirit of Alabama s camp meeting tradition where revival met revelry and salvation mingled with scandal Robert C Morgan brings this world to life with vivid stories and unforgettable characters capturing the cultural spiritual and historical legacy of a distinct Southern form of worship **Teaching Children to Pray** Mary Davis,2006-10 Mom s Choice Award Winner Through the use of cut color and paste projects children will learn about four types of prayer as they are motivated to a dynamic prayer life Complete lesson plans are included Finding Christ in the Straw Robert Hiller,2020-02-11 James wrote to Christians whose faith was under attack Persecution false teachings and loveless actions were troubling God s baptized people Things have not changed much for the church in these latter days Though Luther referred to this letter as an epistle of straw James gives much wisdom to Christ s troubled bride In his foreword to Finding Christ in the Straw A Forty Day Devotion on the Epistle of James Robert M Hiller writes Martin Luther felt that this letter lacked the focus on the person and work of Jesus Christ to warrant much of his energy Straw has its benefits but is not all that useful in the long run However these forty devotions based on James will both challenge and comfort you while showing you Christ in the straw **Straw for the Bricks** Liz Shercliff,2018-11-30 Straw for the Bricks explores theological reflection as a tool for ministerial training and development The book offers a new resource for theological conversation and breaks new ground in exploring how a model of conversation can be used to lay a foundation for learning for both academic curriculum and personal formation This will become an important resource for those within theological education institutions

adult theological educators those with responsibility for continuing ministerial development mentoring and discipleship and any lay person who seeks to live a life of faith in conversation with culture and the Judaeo Christian tradition

Metropolitan Pulpit and Homiletic Monthly ,1910 **Luther's Epistle of Straw** Jason D. Lane,2017-11-07 This work challenges the common consensus that Luther with his commitment to St Paul s articulation of justification by faith leaves no room for the Letter of St James Against this one sided reading of Luther focused only his criticism of the letter this book argues that Luther had fruitful interpretations of the epistle that shaped the subsequent exegetical tradition Scholarship s singular concentration on Luther s criticism of James as an epistle of straw has caused many to overlook Luther s sermons on James the many places where James comes to full expression in Luther s writings and the influence that Luther s biblical interpretation had on later interpretations of James Based primarily on neglected Lutheran sermons in the sixteenth and seventeenth centuries this work examines the pastoral hermeneutic of Luther and his theological heirs as they heard the voice of James and communicated that voice to and for the sake of the church Scholars pastors and educated laity alike are invited to discover how Luther s theology was shaped by the Epistle of James and how Luther s students and theological heirs aimed to preach this disputed letter fruitfully to their hearers Preacher and Homiletic Monthly ,1910 Homiletic Review ,1910 **The Homiletic Review** ,1910 **Proper Lessons to be Read at Morning and Evening Prayer on the Sundays and Holy-days Throughout the Year.
