**Strictly Personal** Eugenia Price,2019-01-13 Can man by searching find out God Long before Job man was asking this question It has stormed the minds and hearts of all peoples in all lands and cultures What is God really like Is He discoverable by those He created Headhunters in shadow haunted Africa have tried to beat away their restless questioning The same necessity to know forced the intellectuals of Athens at the peak of its classical glory to create with their minds their own gods In man s primitive desperation to claim a knowing relationship with the Divine gods have been fashioned after man s own image There have been animal gods bird gods fish gods Gods of wood and stone and marble and metal More cultured civilizations have worshiped reason A few sensed their limits and saluted an Unknown God None found rest Is there one true God Is He discoverable Can man by searching find out God Can anyone know God personally On every page of this new and exciting book by Eugenia Price these time old questions are faced honestly and without apology She writes lucidly avoiding religious clich s confessing her own questioning mind and including warmly all who question God for any reason It is a strictly personal book which vibrates with the tremendous potential of the strictly personal relationship with God which she has found possible for herself and which she believes possible for anyone regardless of background or intellectual blocks If you have been wondering if there is a God for you this is a book you can read without apology rebellion or embarrassment It is written especially for you Your strictly personal questions demand honest and specific explanations Generalizations will not do Pious pat answers will not do They are not here But the door to the realistic adventure of a personal discovery of God is here and it can open for you as you think through the carefully unfolded chapters of *Strictly Personal* *It's Still Strictly*

*Personal* Eric Friedmann,2021-02-15 It s Still Strictly Personal continues Eric Friedmann s journey through the movies during the nine year period of 1983 to 1991 While he and the rest of the world embraced blockbuster motion pictures like Ghostbusters Back to the Future Top Gun Die Hard Batman and Terminator 2 it was also alternative films like A Passage to India Blue Velvet Platoon Do the Right Thing and Cinema Paradiso that captured his attention and continued to impact his youth while shaping a deeper and more meaningful insight to the possibilities of cinema Eric s personal story about the movies is still told with great memory and affection for those who still remember a time when movies continued to change grow and evolve into deep rooted memories for all of us who loved sitting in front of the big screen and waited for the magic to unfold Some movies we just watch Others we feel Those that we can feel may not only tell us who we once were but perhaps who we have the potential to become Eric Friedmann So are you ready to go back in time again and remember

**IT'S FOREVER STRICTLY PERSONAL: A Final Nostalgic Movie Memoir of 1992-1999** Eric Friedmann,2023-03-13 It s Forever Strictly Personal concludes Eric Friedmann s journey through the movies during the eight year period of 1992 to 1999 While he and the rest of the world embraced blockbuster motion pictures like Jurassic Park Mission Impossible Independence Day Titanic and The Matrix it was also alternative films like A River Runs Through It Like Water For Chocolate

Pulp Fiction The Usual Suspects and Life Is Beautiful that captured the attention of his adulthood and forever reminded him of the endless possibilities of cinema Eric's personal story about the movies is forever told with great memory and affection for those who still remember when movies changed us helped us to grow and evolved into deep rooted memories for all of us who loved sitting in front of the big screen and waited for the magic to unfold Movies comfort us teach us and hopefully try to answer the big questions of why in life Eric Friedmann So are you ready to go back one last time and remember

**Medical Decision-Making on Behalf of Young Children** Imogen Goold, Cressida Auckland, Jonathan Herring, 2020-09-17 In the wake of the Charlie Gard and Alfie Evans cases a wide ranging international conversation was started regarding alternative thresholds for intervention and the different balances that can be made in weighing up the rights and interests of the child the parent's rights and responsibilities and the role of medical professionals and the courts This collection provides a comparative perspective on these issues by bringing together analysis from a range of jurisdictions across Europe North and South America Africa and Asia Contextualising the differences and similarities and drawing out the cultural and social values that inform the approach in different countries this volume is highly valuable to scholars across jurisdictions not only to inform their own local debate on how best to navigate such cases but also to foster inter jurisdictional debate on the issues The book brings together commentators from the fields of law medical ethics and clinical medicine across the world actively drawing on the view from the clinic as well as philosophical legal and sociological perspectives on the crucial question of who should decide about the fate of a child suffering from a serious illness In doing so the collection offers comprehensive treatment of the key questions around whether the current best interests approach is still appropriate and if not what the alternatives are It engages head on with the concerns seen in both the academic and popular literature that there is a need to reconsider the orthodoxy in this area

**Apostles of Development** David C. Engerman, 2025-05-30 The battle against global poverty that began after World War II was a major undertaking engaging economists engineers and organizations Featuring front and centre were six remarkable economists Amartya Sen Manmohan Singh Mahbub ul Haq Jagdish Bhagwati Rehman Sobhan and Lal Jayawardena all born as colonial subjects in the British Empire and studied at Cambridge University They represented a new figure on the world scene the Third World development expert and played a crucial role in global debates about poverty and development Apostles of Development examines their different economic doctrines and the ongoing debate surrounding economic theory in poor countries compared to rich ones The lives of these apostles reveal how development did not begin with textbooks but with real world attempts to solve very specific and pressing problems Finally the book emphasizes that development was a Global South project first and foremost aiming to improve the conditions of the world's poorest countries It challenges the conventional wisdom that sees development only as a tool of rich countries to dominate or as proof of their humanitarian spirit It argues that development succeeds not when it follows ideological prescriptions but when it looks for what works The fading of grand visions shaped by ideological concerns has been one of

the lasting effects of the end of the Cold War The book argues that the best way forward is determined modesty focusing on practical matters such as addressing gross inequality and insisting that development means more than just economic growth Given the salience of questions of economic inequality and the constant visibility of the promises and problems of economic development in the world today this is a timely and important read

The Secret Lives of Somerset Maugham Selina Hastings,2010-05-25 He was a brilliant teller of tales one of the most widely read authors of the twentieth century and at one time the most famous writer in the world yet W Somerset Maugham s own true story has never been fully told At last the fascinating truth is revealed in a landmark biography by the award winning writer Selina Hastings Granted unprecedented access to Maugham s personal correspondence and to newly uncovered interviews with his only child Hastings portrays the secret loves betrayals integrity and passion that inspired Maugham to create such classics as *The Razor s Edge* and *Of Human Bondage* Hastings vividly presents Maugham s lonely childhood spent with unloving relatives after the death of his parents a trauma that resulted in shyness a stammer and for the rest of his life an urgent need for physical tenderness Here too are his adult triumphs on the stage and page works that allowed him a glittering social life in which he befriended and sometimes fell out with such luminaries as Dorothy Parker Charlie Chaplin D H Lawrence and Winston Churchill *The Secret Lives of Somerset Maugham* portrays in full for the first time Maugham s disastrous marriage to Syrie Wellcome a manipulative society woman of dubious morality who trapped Maugham with a pregnancy and an attempted suicide Hastings also explores Maugham s many affairs with men including his great love Gerald Haxton an alcoholic charmer and a cad Maugham s courageous work in secret intelligence during two world wars is described in fascinating detail experiences that provided the inspiration for the groundbreaking *Ashenden* stories From the West End to Broadway from China to the South Pacific Maugham s restless and remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain* *The Painted Veil* *Cakes Ale* and other well known tales An epic biography of a hugely talented and hugely conflicted man *The Secret Lives of Somerset Maugham* is the definitive account of Maugham s extraordinary life

Strictly Personal: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Strictly Personal : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Strictly Personal : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
