Strictly Taboo Jaid Black, 2005-12-06 Three sexy original stories of men who are totally off limits From the author of the sizzling *One Dark Night* three highly charged tales of unexpected desire from the faraway past deep into the distant future Here are three beautiful daring women who find themselves succumbing to the forbidden overpowering passion ignited by their arch enemies Set in three different worlds the past the present and the future these stories will take readers way beyond their wildest imagination and into their most sensuous fantasies

Amaze Your Friends Peter Doyle, 2019-10-15 SYDNEY 1959 Billy Glasheen is flogging mailorder schemes out of a seedy back room in Chinatown Want to play guitar in 14 days Learn Italian in your spare time Win big with an infallible betting system Master the love secrets of the ancients Bill s your man But there are unsettled accounts in Billy s past and they re coming due As shadowy factions line up around him he can t be sure if he s the target or caught in someone else s crossfire Or is he imagining the whole thing Finally an ultimatum is delivered come up with a small fortune in hush money or cop a bullet and a shallow grave Six months and the clock is ticking It s time to call in all debts and favours but right when he needs them most Bill s old gang of beatniks bandits and hoochie coochie girls seem to have made themselves strangely scarce He s on his own Amaze Your Friends is a dark wild ride through a city of easy money and sudden falls of high times and hangovers of jukebox rock n roll and the lowdown flophouse blues

The Forest of Taboos Valerio Valeri, 2000 The Forest of Taboos may be considered among the most important books ever written by an anthropologist Valeri writes superbly and this book makes a fundamental contribution to one of the most central lines of thought in twentieth century anthropology He shows that taboo is finally comprehensible John Stephen Lansing University of Michigan The Forest of Taboos is no conventional ethnography more an extended meditative essay on its subject erudite rich in ideas and data wide ranging in its theoretical inspiration and self consciously literary in form It is a fitting memorial to an author whose life was so tragically cut short Roy Ellen University of Kent at Canterbury This eloquent and profound book completed by Valerio Valeri shortly before his death in 1998 contends that the ambivalence felt by all humans about sex death and eating other animals can be explained by a set of coordinated principles that are expressed in taboos In elegant prose Valeri evokes the world of the Huauilu forest hunters of Indonesia The hidden attractions of the animal world which invades the human world in perilous ways he shows also delineate that which the Huauilu regard as most human about themselves

Political Correctness Geoffrey Hughes, 2011-09-13 Political Correctness Geoffrey Hughes has brought together with great panache the very many manifestations of political correctness both absurd and vicious and shown how they express a single collective mind set His book establishes beyond doubt that there is such a phenomenon that it has become dominant in our culture and that it represents a growing tendency to censor public debate and to prevent people from questioning orthodoxies which we all know to be false Roger Scruton American Enterprise Institute What a joy this book is Hughes study traces with unflagging zest the modern history of PC Sumptuous in data in judgment precise this is

the latest and fullest of Hughes series on the social history of language Walter Nash Professor Emeritus University of Nottingham Political Correctness is now an everyday phrase and part of the modern mindset Everyone thinks they know what it means but its own meaning constantly shifts Its surprising origins have led to it becoming integrated into contemporary culture in ways that are both idealistic and ridiculous Originally grounded in respect for difference and sensitivity to suffering it has often become a distraction and even a silencer of genuine issues provoking satire and parody In this carefully researched thought provoking book Geoffrey Hughes examines the trajectory of political correctness and its impact on public life Exploring the origins progress content and style of PC Hughes journey leads us through authors as diverse as Chaucer Shakespeare and Swift Philip Larkin David Mamet and J M Coetzee from nursery rhymes to Spike Lee films Focusing on the historical semantic and cultural aspects of political correctness this outstanding and unique work will intrigue anyone interested in this ongoing debate *America's Sex, Marriage and Divorce Problems* William Josephus Robinson,1928
