

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

The Sonnets:

The Sonnets William Shakespeare, 2006-06-22 This second edition of *The Sonnets* features a new introduction by Stephen Orgel

The Sonnets William Shakespeare, 1996-04-18 This new edition focuses on Shakespeare's Sonnets as poetry sometimes strikingly individual poems but often subtly interlinked in thematic imagistic and other groupings The volume also addresses the many questions that cast a veil of mystery over the genesis of the poems To what extent are *The Sonnets* autobiographical What is the nature of the love strongly expressed between the poet the youth and the Dark Lady Can they apart from the poet be identified Who is the rival poet When were *The Sonnets* written and in what order What were the circumstances surrounding their publication The volume is introduced by the sensitive critical insights of the poet and scholar Anthony Hecht The text following the 1609 quarto has been edited by Gwynne Blakemore Evans and is followed by his extensive annotation informed by long acquaintance with Shakespeare's art The volume as a whole will appeal to a new generation of students and poetry lovers

The Sonnets William Shakespeare, 2015-09-12 Shakespeare's Sonnets is the title of a collection of 154 sonnets accredited to William Shakespeare which cover themes such as the passage of time love beauty and mortality It was first published in a 1609 quarto with the full stylised title SHAKE SPEARES SONNETS Never before Imprinted although sonnets 138 and 144 had previously been published in the 1599 miscellany *The Passionate Pilgrim* The quarto ends with *A Lover's Complaint* a narrative poem of 47 seven line stanzas written in rhyme royal

The Sonnets Harold Bloom, Brett Foster, 2009 Presents a collection of essays discussing historical aspects of William Shakespeare's sonnets excerpts from some of the sonnets and biographical information

The Sonnets William Shakespeare, 1980-08-15 T S Eliot once wrote that Shakespeare gives the greatest width of human passion and it is this passion that has traditionally made *The Sonnets* appealing to literati and laymen alike Surrounded by mystery these poems of devotion and jealousy of a young courtier and a Dark Lady have been the subject of endless speculation They are highly mystical and at the same time highly honest as W H Auden wrote what is astonishing about the sonnets especially when one remembers the age in which they were written is the impression they make of naked autobiographical confession Because they are witty passionate personal and often ever bawdy *The Sonnets* stand as one of the greatest poetic tributes ever written to a beloved Elegantly presented in deluxe edition these 154 beautiful poems are the perfect gift for any man or woman who has ever been in love

Shakespeare: The Sonnets John Blades, 2007-07-31 Focusing on Shakespeare's non dramatic verse this title adopts a thematic approach to the Sonnets guiding students through detailed textual analyses giving contextual frameworks for interpreting the poems and helping them to examine the development and characteristics of sonnet form

William Shakespeare: the Sonnets William Shakespeare, 2015-07-22 For almost five hundred years William Shakespeare has been known the world over as the master of the Sonnet Shakespeare wrote 154 sonnets which comprise two groups and all are reproduced in this small but stylish collection In the first 126 Sonnets Shakespeare speaks of a young friend's beauty

refinement and goodness and insists that he must marry and sire children in order to perpetuate that beauty lest it end with his eventual death The Bard brilliantly and movingly describes the object of his affection in a series of variations on traditional themes of the form As the sequence progresses however the poet expresses disappointment that his friend no longer loves him in return Ultimately it appears that the friend has actually stolen the poet's lover a woman addressed in the latter Sonnets below The poet fears that his place in his friend's affections as well as perhaps his literary patronage has been taken by another superior poet The Bard worries that his friend resents his public displays perhaps referring to Shakespeare's career as an actor but gradually over the course of the last several poems of this group the spirit of love returns reflecting a reconciliation between the friends Sonnet 126 closes the series with a return to the subject of the young man's beauty and mortality Sonnets 127-154 address a woman who has become known as Shakespeare's Dark Lady a woman of dark complexion and metaphorically of dark morals who has betrayed the poet's love by loving other men The poet complains not only that she has been unfaithful to him but that she has been so with his friend the subject of his first 126 Sonnets thereby leaving him abandoned by both of his loves Was the love triangle which played out in Shakespeare's 154 Sonnets a situation which played out in his life or a literary creation a story told in 154 chapters comprised of Sonnets which are not only able to stand alone to move the heart but which together move the soul as well
