The Vertical Man:

The Ringo Starr Encyclopedia Bill Harry, 2012-12-31 Ringo Starr was the genuine working class member of the Beatles Born into poverty in a tiny house in Liverpool s Dingle area deserted by his father he suffered years of illness which seriously affected his schoolwork Despite having all the odds against him he became one of the most famous people on the planet The Ringo Starr Encyclopedia completes the Virgin series on the individual Beatles and in the most comprehensive book about Ringo Starr ever written

Reading the Ground Brian John, 1996 In this comprehensive study of Thomas Kinsella s poetry Brian John explores the poet s development within both the Irish and the English contexts and defines the nature of his poetic achievement He also offers a new reading of Kinsella s evolving relationship to one of his major literary forebears W B Yeats What becomes clear is the formidable accomplishment of a poet now writing at the height of his powers whose substantial body of work warrants comparison with the grand masters of twentieth century literature in English with Yeats Joyce and Beckett

The Beatles Diary Volume 2: After The Break-Up 1970-2001 Keith Badman, 2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up

Maurice Nicoll Gary Lachman, 2024-06-18 Traces the life of Maurice Nicoll who left a successful career as a psychiatrist in 1922 to study with G I Gurdjieff and P D Ouspensky Explores newly uncovered diaries from Nicoll revealing his mystical sex practices his shadow self and new understandings of his unorthodox teachings Examines the influence of psychiatrist Carl Jung and Swedish scientist and philosopher Emanuel Swedenborg on Nicoll s work In 1922 Maurice Nicoll 1884 1953 abandoned his successful London psychiatry practice and his direct studies with Carl Jung to move his family just outside of Paris to the Institute for the Harmonious Development of Man a center recently opened by philosopher mystic and spiritual guru G I Gurdjieff the founder of the esoteric system that became known as the Fourth Way Nicoll went on to become one of the most passionate teachers of the Fourth Way committing the final three decades of his life to teaching The Work in his own unorthodox style In this revealing biography Gary Lachman draws on recently uncovered diaries to explore the unusual syncretic approach Nicoll brought to his teaching of the Fourth Way He shows how Nicoll is unique in having Jung Gurdjieff and Ouspensky as teachers and to have known each of these important figures in esoteric history personally yet as Lachman reveals Nicoll was not a blind devotee by any stretch Lachman shows how Nicoll incorporated elements of Jungian psychology and Emanuel Swedenborg inspired mysticism into his exploration and teaching of both Gurdjieff s and Ouspensky s ideas as well as into his own best known work *Psychological Commentaries on the Teaching of Gurdjieff and Ouspensky* Lachman reveals the unorthodox side of Nicoll in fuller detail than ever before through excerpts from recently shared diaries in which Nicoll included detailed accounts of his own solitary self sex erotic

experimentations to reach visionary states along with recordings of his dreams and other personal and mystical reflections The social details of Nicoll s life are also examined including vivid portraits of the occult scene in the early to mid twentieth century and the communal living situations in which Nicoll sometimes resided Drawing on his familiarity with hermetic practices and his own experiences with The Work Lachman comprehensively explores the significance of Nicoll and the novelty of his thought offering a profound needed and sympathetic but critical study of this man so instrumental to the development and legacy of the Fourth Way
