THREE DOLLAR DREAMS

Three Dollar Dreams

Percy MacKaye

Three Dollar Dreams:

Colonization and Community John Douglas Belshaw, 2002 In the nineteenth century coal miners imported from Europe Asia and eastern North America burrowed beneath the Vancouver Island towns of Nanaimo Wellington and Cumberland No group was as numerous and influential in this enterprise as the hundreds of British immigrants who travelled half way around the world to take up back breaking work in the most remote colony in the Empire What drew the British miners and their families to the north Pacific Why did they set aside six months to journey to a colony about which they knew little Once they reached Vancouver Island what did they make of it and what did they make it into And how did they re make themselves in the process In *Colonization and Community* John Belshaw takes a new look at British Columbia s first working class the men women and children beneath and beyond the pit head Beginning with an exploration of emigrant expectations and ambitions he investigates working conditions household wages racism industrial organization gender schooling leisure community building and the fluid identity of the British mining colony the archetypal west coast proletariat By connecting the story of Vancouver Island to the larger story of Victorian industrialization he delineates what was distinctive and what was common about the lot of the settler society Belshaw breaks new ground challenging the easy assumptions of transferred British political traditions analyzing the colonial at the household level and revealing the emergent communities of Vancouver Island as the cradle of British Columbian working class culture

When Coal Was King John Hinde, 2011-11-01 The town of Ladysmith was one of the most important coal mining communities on Vancouver Island during the early twentieth century The Ladysmith miners had a reputation for radicalism and militancy and engaged in bitter struggles for union recognition and economic justice most notably the Great Strike of 1912-14 This strike one of the longest and most violent labour disputes in Canadian history marked a watershed in the history of the town and the coal industry This book explains the origins of the 1912-14 strike by examining the development of the coal industry on Vancouver Island the founding of Ladysmith the experience of work and safety in the mines the process of political and economic mobilization and how these factors contributed to the development of identity and community While the Vancouver Island coal industry and the strike have been the focus of a number of popular histories this book goes beyond to emphasize the importance of class ethnicity gender and community in creating the conditions for the emergence and mobilization of the working class population Informed by current academic debates on the matter and within the discipline this readable history takes into account extensive archival research and will appeal to historians and others interested in the history of Vancouver Island

Three Dollar Dreams Lynne Bowen, 1987 **The Coal Tyee Society Presents Three Dollar Dreams** Lynne Bowen, Coal Tyee Society, 1987-01-01 British Columbia Patricia Roy, John Herd Thompson, 2005 In this fifth volume in Oxford s *Illustrated History of Canada* series Patricia Roy and John Thompson present a compact narrative survey of British Columbia s economic political and social history generously illustrated with roughly 150 paintings drawings and maps that

shed their own light on the province's history British Columbia as we know it geographically and politically today did not exist until 1858 The boundaries of the present day province were defined in a piecemeal and haphazard manner and are still disputed by the First Nations who have never accepted the 1927 agreement between the federal and the provincial governments that defined the extent of their territories within the province Historians can never entirely escape superimposing the tidy political map of contemporary British Columbia over an untidy geography and an equally untidy history Human conflict and human diversity mark British Columbia's past Based on current scholarship this volume provides a detailed account of the multitude of experiences within British Columbia British Columbia Land of Promises continues the tradition of sound scholarship and easy readability of the previous volumes in Oxford's Illustrated History of Canada series Previous volumes were praised for being richly illustrated readable detailed and opinionated London Free Press and attractive as individual volumes to those who want an introduction to a particular region and as part of a series to those who are looking for a new general history of Canada Quill and Quire **Acadiensis** ,1988 *Introducing Canada* Brian Gobbett,Robert Irwin,1998-04-30 In addition to presenting brief descriptions of more than 1 000 historical monographs dealing with Canada the bibliography introduces the reader to several historiographic debates and places key works within that context The Three Witches, Or The Combination Dream Dictionary ,1891 *Histoire Sociale* ,1997 *LLT* ,2000 *Journal* ,1989 **BC Studies** ,1998 □□□□□□ ,2001 U.S./Latin Trade ,1994 *The American Contractor* ,1917 **BCLA Reporter** British Columbia Library Association,1993 **Packard** Packard Motor Car Company,1910 **Canadiana** ,1989 The Civic Theatre in Relation to the Redemption of Leisure Percy MacKaye,1912 *Canadian Who's Who 2009* Elizabeth Lumley,2008-12-04 Now in its ninety ninth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who's Who is an invaluable source of general knowledge
