

# FIGURATIVE LANGUAGE

## Simile

A simile is a type of figurative language which is used to compare one thing against another. Similes compare the likeness of two things and often feature the words 'like' or 'as': "As strong as an ox/ As brave as a lion."

## Oxymoron

An oxymoron is a term which features two words which appear to contradict each other but make sense of the situation overall.

- For example: That woman is pretty ugly.

## Idiom

An idiom is a phrase which bears no literal meaning to the situation it is describing but it implies the facts or story behind it.

- For example: There is a silver lining in every cloud.

## Symbolism

Symbolism is another form of figurative language which is used to express an abstract idea using an item or words.

- For example: We had to put out a red alert.

## Onomatopoeia

Onomatopoeia is a form of figurative language in which words which are used to describe a sound actually resemble the sound they are referring to.

- For example: The ghost said boo.

## Irony

A form of figurative speech is irony. This is when a statement made is directly contradictory to the reality. It is also used to convey a style of sarcasm.

For example:

- I posted on Facebook about how bad Facebook is.
- I won the lottery on my retirement day.

## Metaphor

A metaphor is a phrase describing something as something it is not in reality. It is used to compare two things symbolically. A metaphor literally describes something as something it is not. "Love is a battlefield"

## Hyperbole

A hyperbole is a figure of speech which exaggerates the meaning of a sentence.

- For example: My granddad is as old as time.

## Personification

Personification is a type of figurative language. It is used to give an inanimate object or item a sense of being alive. The speaker would talk to the object as if it could understand and was intelligent.

- For example: Why are you so heavy, suitcase?

## Alliteration

Alliteration is a type of figurative speech in which the repetition of letters or sounds is used within one sentence.

- For example: Eagles end up eating entrails.

## Puns

Puns are a form of figurative language which create a play on words. They add an extra meaning to a subject and are often seen as a form of joke or to be humorous.

- For example: A horse is a very stable animal.

### Understanding Figurative Language Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Understanding Figurative Language free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Understanding Figurative Language free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Understanding Figurative Language free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Understanding Figurative Language. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Understanding Figurative Language any PDF files. With these platforms, the world of PDF downloads is just a click away.
