

A silhouette of a person in a military-style uniform saluting, set against a background of the American flag. The flag is waving and occupies the upper left and middle portions of the image. The background transitions from a blue sky with light clouds at the top to a bright orange and yellow glow at the bottom, suggesting a sunrise or sunset.

**Understanding Police Operational Performance** James E. McCabe, Paul E. O'Connell, Demosthenes Long, Carol Rasor-Cordero, 2024-12-17 Understanding Police Operational Performance provides a roadmap for police agencies to implement performance improvement strategies that work This book provides an easy to read comprehensive overview of the key indicators of successful internal operations of police agencies in the United States and equips readers with the tools needed to bring police organizations to top performance Ideal for law enforcement professionals as well as city or county administrators and policymakers this book offers practical advice for planning and conducting an evaluation of the various components of a police organization It is also appropriate for use in law enforcement criminal justice and political science courses

**Understanding Police Use of Force** Geoffrey P. Alpert, Roger G. Dunham, 2004-08-16 Publisher Description

**Understanding Police Culture** John P. Crank, 2014-09-25 Police culture has been widely criticized as a source of resistance to change and reform and is often misunderstood This book seeks to capture the heart of police culture including its tragedies and celebrations and to understand its powerful themes of morality solidarity and common sense by systematically integrating a broad literature on police culture into middle range theory and developing original perspectives about many aspects of police work

**Understanding Law Enforcement** Linda Riekens, Sharon Slane, 1991-05-01 Explores the varied aspects of United States law enforcement on both the national and at the community level

**Understanding Police Culture** John P. Crank, 2014-09-25 Police culture has been widely criticized as a source of resistance to change and reform and is often misunderstood This book seeks to capture the heart of police culture including its tragedies and celebrations and to understand its powerful themes of morality solidarity and common sense by systematically integrating a broad literature on police culture into middle range theory and developing original perspectives about many aspects of police work

**Handbook of Police Administration** James Ruiz, Don Hummer, 2017-09-25 As figureheads of the most visible segment of criminal justice today s police administrators are forced to tackle challenges never faced by their predecessors Heightened local and global threats advanced technologies and increased demands for procedural transparency require new levels of flexibility innovative thinking and the ability to foster and maintain relationships within the community It is more crucial than ever to recruit and retain capable leaders to guide law enforcement agencies at this pivotal time in history Covering areas such as leadership in policing use of force and understanding how the law shapes police practice Handbook of Police Administration examines the key topics that must be considered by law enforcement professionals Recognizing that police leaders need the skills and traits of a politician accountant attorney field lieutenant and futurist the authors cover a variety of contemporary issues surrounding police administration and management Divided into five thematic sections it considers the legal aspects of overseeing a public sector organization as well as how research technology and training can assist modern police leaders in performing their duties more effectively and efficiently The book covers problematic issues

such as officers accepting gratuities undercover work and the time criteria required for promotional consideration It concludes with a chapter comparing administrative issues in Australia with many of the subjects previously addressed with regard to U S protocol Using a range of perspective differing viewpoints and controversial issues Handbook of Police Administration provides a springboard to stimulate discussion at the cutting edge of debate in the dynamic field of policing

*General Ashcroft* N. V. Baker,2006 Reviled as a fascist and zealot by libertarians and liberals but praised as a great patriot and devout man of God by many conservatives John Ashcroft may have been the most powerful and polarizing attorney general in our nation s history Looking past such oversimplified stereotypes Nancy Baker offers the first in depth study of Ashcroft s controversial tenure as attorney general and as domestic commander in our campaign against global terrorism Addressing new concerns about challenges to civil liberties in the wake of 9 11 Baker provides a critical assessment of Ashcroft s impact on national life within the context of an enormous expansion of presidential power Baker depicts a man who even before 9 11 was in search of a mission and then found it in the War on Terror She explores how Ashcroft s counterterrorism actions eroded checks on executive power arguing that the attorney general used both the formal and informal powers of his office to expand executive and law enforcement authority and did so at the additional expense of criminal procedural rights privacy rights and government transparency Baker tells how the war against terrorism the unique legal policy role of the attorney general and Ashcroft s presence in that office dramatically expanded the power and impact of executive power in domestic affairs She identifies Ashcroft s rhetorical tactics that set his actions at odds with the public interest such as browbeating critics and marginalizing dissent and challenges the success claimed by Ashcroft and his supporters in safeguarding America by documenting the Justice Department s lack of effectiveness in key prosecutions She also includes an enlightening analysis of the Patriot Act and its implications for both civil liberties and government power By documenting the ongoing importance of Ashcroft s legacy a legacy now continued by Alberto Gonzalez Baker shows how he dramatically changed the office and disrupted our constitutional system of divided and checked powers Her close scrutiny of Ashcroft s actions vividly highlights the role that an attorney general can play in shaping presidential power during national crises and provides a cautionary tale for anyone eager to protect our civil liberties     *Political Parties and Electoral Problems* Robert Clarkson Brooks,1923     **The Police Journal** ,1920     **New York Court of Appeals.
