The Montana Vigilantes Mark C. Dillon, 2013-09-15 Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana s vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon s perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history law and criminal justice for years to come

Americanism, Media and the Politics of Culture in 1930s France David A. Pettersen, 2016-05-20 First book to focus on Americanism and its consideration of French film and literature The book is organized around individual figures texts and films making it easy to adopt for individual units in courses The book is written in clear accessible and jargon free language The book brings a new and innovative transatlantic perspective to 1930s French culture The books offers new perspectives on important figures that we thought we knew well The book mixes cultural history with the analysis of individual films and novels in a way that is engaging to read
