I'm Walking as Straight as I Can Geri Jewell, 2011-04-01 A candid memoir of building an acting career and a happy life with cerebral palsy It is a joy to read this book Ian McShane Exposing real pain unstoppable perseverance and unquestionable faith in the human spirit this autobiography offers a true glimpse beyond actress Geri Jewell's public image as a one dimensional hero Born with cerebral palsy Jewell made history when she became the first person with a disability cast in a recurring role on American television in *The Facts of Life* and in the years that followed she experienced a string of other successes including a performance at the White House and a role on HBO's *Deadwood* But along with such accomplishments this personal story also depicts some of the less than rosy events that happened behind closed doors during her initial climb to fame among them her release from *The Facts of Life* her manager's embezzlement of the money she made on the show and her struggle with chronic pain despair and a fear of revealing her true sexual identity Told with grace and humor this inspirational narrative presents an honest portrayal of a woman who refused to give up when others kept knocking her down
