Systematic Theology Wayne A. Grudem, 1994     Systematic Theology Charles Hodge, 1878     *Systematic Theology* Wayne Grudem, 1994     **An Introduction to Systematic Theology** Cornelius Van Til, 2007     Historical Theology Gregg Allison, 2011-04-19

Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history's most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison's clear and concise structure make this resource an ideal introduction to Christian doctrine

**Satan's Strategy to Curse Christ's Congregation** Keith A. Sherlin,2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough

Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike

Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord

Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians

Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem
