THE PRINCE S BRIDE When Prince Stephan Reynard swept into the tiny Texas town to lay claim to his royal nephew he never dreamed the boy s adoptive mother would prove so resistant so alluring Seemed not even a king s ransom could convince the spirited Western beauty to part with the cherished heir she d once cradled in her loving arms Seemed too that for all the prince s blue blood wealth and station Mandy Crawford saw him simply as a man though the feelings she stirred in him were anything but simple Because increasingly his mission to produce the precious monarch was turning into a mission to woo and wed this uncommon woman      Spy With Me Lexi Blake,2025-09-16 Zach Reed had two objectives when he joined the CIA team led by Ian and Charlotte Taggart First he needed to get close to Cooper McKay Second he needed to sideline or dismantle their operation Getting to know Cooper was even better than he expected but amongst the team he discovered a family he d always dreamed of and a woman he wanted to spend his life with Caught between his mission and his friends his secrets are exposed and his only choice is to run He hopes someday he can make it up to the team and the young woman he s fallen hopelessly in love with Devi Taggart thought she finally found the man of her dreams Spending a long weekend with Zach filled her soul and satisfied all her deepest desires But dreams turned to nightmares when she discovered he betrayed his team including her brother When Zach disappears Devi swears to turn her back on the man forever Unfortunately the real bad guys have figured out she is Zach s weak spot which makes her a major target With Devi in real danger Zach takes the situation into his own hands and offers her a place to stay with him An offer he s not about to let her refuse As they navigate a criminal underworld Zach is committed to showing Devi he s the right man for her If only they can survive his family      **Farm Woman** ,1986      **Forgiven** Charles E. Forgiven Shepard analyses how Bakker won the allegiance of so many as he details Bakker's early years and PTL's birth blossoming and headline making decline Truly a landmark work Forgiven delves beneath the PTL scandal to illuminate the fascinating inner workings of a major TV ministry the hazards of the strange alliance between television and church and the power of television in our culture This edition includes new and updated material on the trial sentencing and imprisonment of Jim Bakker

*Treasured* Lexi Blake,2026-01-16 David Hawthorne has a great life His job as a professor at a prestigious Dallas college is everything he hoped for Now that his brother is back from the Navy life seems to be settling down All he needs to do is finish the book he's working on and his tenure will be assured When he gets invited to interview a reclusive expert he knows he's gotten lucky But being the stepson of Sean Taggart comes with its drawbacks including an overprotective mom who sends a security detail to keep him safe He doesn't need a bodyguard but when Tessa Santiago shows up on his doorstep the idea of her giving him close cover doesn't seem so bad Tessa has always excelled at most anything she tried except romance The whole relationship thing just didn't work out for her She's not looking for love and she's certainly not looking for it with an academic who happens to be connected to her boss's family The last thing she wants is to escort an overly pampered pretentious man child around South America to ensure he doesn't get into trouble Still there's something about David that calls to her In addition to watching his back she will have to avoid falling into the trap of soulful eyes and a deep voice that gets her heart racing But when the seemingly simple mission turns into a treacherous race for a hidden artifact David and Tess know this assignment could cost them far more than their jobs If they can overcome the odds the lost treasure might not be their most valuable reward

**Delighted** Lexi Blake,2026-01-16 Taggart made him family when he had none So when the kid next door needs help one night he thinks nothing of protecting her until her mom gets home But when he meets Daphne Carlton the thoughts hit him hard She's stunning and hardworking and obviously in need of someone to put her first It doesn't hurt that she's as sweet as the cupcakes she bakes Daphne Carlton's life revolves around two things her kid and her business Daphne's Delights is her dream to take the recipes of her childhood and share them with the world Her daughter Lou is the best kid she could have hoped for Lou's got a genius level intelligence and a heart of gold But she also has two grandparents who control her access to private school and the fortune her father left behind They're impossible to please and Daphne worries that one wrong move on her part could cost her daughter the life she deserves As Daphne and Boomer find themselves getting closer outside forces put pressure on the new couple But if they make it through the storm love will just be the icing on the cake because family is the real prize
