The Con:

The Competence Question in the (Con)Federal European Union Sacha Garben,2025-11-18 The Competence Question in the Con Federal European Union provides a uniquely holistic understanding of the EU as a contested authority construction the legal concepts and political factors that make it d evolve and the normative stakes at hand The book analyses the source force and extent of the EU s powers from the EEC Treaty until today demonstrating how ongoing constitutional negotiations between Member States the Court of Justice political institutions and national courts have unsettled the EU legal order in both functional and foundational terms In doing so it offers new insights into the functioning and malfunctioning of the EU legal order from a constitutional and democratic perspective Drawing on historical examples to illustrate the distinction between compound systems of conferred powers confederations and those whose powers have been constitutionally established federations the book exposes a confederal conundrum The EU s powers are conferred by its Member States as in a confederation but are given federal effect and have virtually unlimited material scope competence creep This the book argues can be democratically and constitutionally problematic Pinpointing the crucial legitimacy problem that underlies EU authority construction the book offers students and academics an accessible yet rigorous account of the current state of EU law It is an essential resource for anyone seeking to understand the dynamic process of European integration and its constitutional implications

The Art of the Con R. Paul Wilson,2014-11-04 A sucker is still born every minute In this modern and interconnected world con men are lurking everywhere it s never been easier for them to dupe us take from us and infiltrate our lives One of the world s leading and celebrated experts on con games takes the reader through the history of cons how they ve been updated to the modern age how they work how to spot them and how to protect yourself from being the victim of one R Paul Wilson is a con man who works for the other side our side He has spent a lifetime learning performing studying and teaching about the ins and outs of the con world in order to open up our eyes to the dangers lurking about us and to show us how not to get taken Paul has never made a living as a con man profiting off of marks he has used his expertise throughout his life to help people avoid cons In this fascinating book Paul takes the reader through the history and developments of the con game what elements from the past are based on basic human psychology and have stood the test of time what has been updated for the modern era and how it s getting used in the computer age the structure of how these cons work and most importantly how to recognize one protect yourself and your loved ones and avoid becoming just another sucker
