## **The Challenge Of Managing:**

*Critical Evaluation of the Article "Managing Talent across National Borders: The Challenges Faced by an International Retail Group" by Mehdi Boussebaa and Glenn Morgan* Anna Jung, 2014-06-30 Essay from the year 2014 in the subject Business economics Business Management Corporate Governance grade 1 3 76 University of Hertfordshire course Managing across cultures language English abstract Increasing globalisation offers a wide range of opportunities for businesses operating in an international market and managers are required more than ever before to work with individuals from different countries Sparrow et al 2004 However in order to manage effectively across national borders and to prevent misunderstandings or conflicts it is imperative for international managers to understand the complex differences between countries and their implications for business Against this background it is particularly worthwhile to scrutinise existing research concerned with the current challenges faced by multinational corporations MNCs more closely Accordingly the aim of the present essay is to critically evaluate the research paper Managing talent across national borders the challenges faced by an international retail group by Mehdi Boussebaa and Glenn Morgan 2008 and to provide implications for theory and practice in cross cultural management First of all to set the stage for the article analysis a brief overview of the paper will be provided Subsequently theoretical frameworks used in the article will be presented and evaluated This is followed by a critical evaluation of the appropriateness of the chosen study design and methodology for the research questions posed by the authors Further the findings and conclusions of the undertaken study will be outlined and discussed and afterwards based on the critical analysis of the paper in the previous sections the implications for individuals involved in cross cultural management will be presented Finally the essay will conclude that the reviewed research paper despite some flaws is an interesting piece of work that makes a contribution to the existing research on international management

**Challenge Management (englische Ausgabe)** Wladimir Klitschko, Stefanie Bilen, 2018-04-12 Like no other professional athlete Dr Wladimir Klitschko took care of his career outside the world of competitive sports while he still was an active boxer He founded K2 Promotions the KLITSCHKO Foundation and the KLITSCHKO Management Group In 2016 he even created a degree program at the prestigious University of St Gallen in Switzerland in which he teaches the basics of Self and Challenge Management KLITSCHKO Ventures the holding company in which all his business activities are incorporated followed Dr Wladimir Klitschko knows that a professional athlete has many skills from which the world of business can profit It is his special talent to regard problems as challenges and accept them as a part of life In this book he finally explains how he does it Now it's your turn to use his methods to make your business succeed to master your personal challenges and to take charge of your work and life There are some people in this world who simply are fantastic role models They are people who are consistent and have great power of persuasion people who are persistent and become successful because of this This is the kind of person I consider Wladimir Klitschko to be Bill McDermott SAP SE CEO Sales Management, 1930
