**The Christian Life** Francis L. B. Cunningham,2010-02-01 The proper study of mankind said Alexander Pope is man an apt summary of the spirit of his age of rationalism All of Christian tradition protests against this mockery of the true state of things divine revelation contradicts it outright a just philosophy recoils from so limited an approach to reality That distilled wisdom of Catholicism which is theology knows one subject and one subject only God But theology first considers God as he is the cause of all things and their exemplar in this vision it considers all of reality which is more true in divine thought than when seen directly in itself Now the theologian turns to study God as he is the end and perfecting goal of creatures in their return to him from whom they first came forth in particular he will study the creature who alone holds the reins of his own conduct man from the Introduction This edition is a scanned facsimile of the original edition published in 1959 by Priory Press *30 Days to Understanding the Christian Life* Max E. the people won't or don't read that much. Begin creatively transforming the lives of this generation by using first century methods of teaching: storytelling, drama, and dialog. The TruthSticks strategy is a revolutionary approach using the DNA of the first century discipling that will use Bible Storying to effectively make disciples at all levels. Unite families by using fun methods to disciple children. Revitalize small groups. Develop a discipling church. A creative tool to use in leadership evangelism or missionary work.

**Sanctified by Grace** Kent Eilers, Kyle C. Strobel, 2014-08-07. Books on the Christian life abound. Some focus on spirituality, others on practices, and others still on doctrines such as justification or forgiveness. Few offer an account of the Christian life that portrays redeemed Christian existence within the multifaceted and beautiful whole of the Christian confession. This book attempts to fill that gap. It provides a constructive, specifically theological interpretation of the Christian life according to the nature of God's grace. This means coordinating the Triune God's reconciling, justifying, redemptive, restorative, and otherwise transformative action with those practices of the Christian life emerging from it. The doctrine of the Christian life developed here unifies doctrine and life, confession and practice within the divine economy of grace. Drawing together some of the most important theologians in the church today, *Sanctified by Grace* achieves what no other theological text offers: a shared work of dogmatic theology oriented to redeemed Christian existence.

These three concise books comprise a wealth of teaching and encouragement for people at any stage of their Christian life, whether they are a brand new Christian or have walked with Jesus for many years. *How to Begin the Christian Life* guides the new believer in a closer walk with Jesus by teaching spiritual disciplines and faithfulness. *How to Continue the Christian Life* shows Christians how to grow in faithfulness and service to Jesus and His church. *How to Finish the Christian Life*, co-authored with his son, Dr. Don Sweeting, encourages and teaches believers how to serve Jesus well in their later years.

**The Christian Life at Its Best** Anthony Dickerson, Larisha Dickerson, 2008-02-18. *The Christian Life At Its Best* is a memoir of one couple's journey as God guides them to His Will through the most intense events of their lives. From unemployment, business failure, bankruptcy, depression, rejection, isolation, fear, confusion, questioning God, and the like, through their struggles, readers gain valuable insight on God's Will and purpose in our lives. Our true security: Resting in God as we leave all worry in His hands. The peace that passes all understanding. Exchanging our lives for His. Serving in our gifts. Realize God's purpose for you as you better experience God's love and the freedom that is in Christ.
