These Our Lives:

YOU ARE DOOMED IF YOU LIVE IN THESE AREAS Maximillien De Lafayette,2015-08-02 **YOU ARE DOOMED IF YOU LIVE IN THESE AREAS** The worst spots on Earth and places in America infested with negative energy and bad luck Published by Times Square Press and the Ramadosh Society New York Originally written in 1964 in Cairo Egypt and taken from the AT Transcripts 1947 1948 USA In secret meetings the United States had with alien species in 1947 and 1948 the Galactic Beings explained and pinpointed to us countries and locations Areas and States which are infested with negative energy and producing all sorts of mishaps catastrophes and bad luck **TAKE THESE 10 GOD CHALLENGES AND LIVE FOREVER** ,2025-12-16 **COMPELLING PROOF OF GOD SEE THE FUTURE BE RAPTURE READY** Take the 10 God Challenges and understand How and why this world was created Find out your purpose on Earth Why we are seeing increases in disasters worldwide called birth pains What the future holds as the Bible has demonstrated time after time How to escape the worst to come Learn why we are the generation that will see the return of Jesus Take These Ten God Challenges presents compelling testimonies and reasons to become a passionate believer in the God of the Bible It holds that secular science cannot explain the origin of the universe or how life could come from nonlife But the Bible explains it all and is ahead of science throughout history This study also explores the amazing mathematical miracles in the Bible and the way that God accurately foretells the future It answers to the most difficult questions about God and offers tips to be rapture ready Unbelievers can see for themselves that the God of the Bible does exist and they can learn how to join His eternal kingdom and live forever Believers can share this knowledge with their unbelieving family and friends and can strengthen their own faith with provable facts These challenges can prove that the God of the Bible exists showing the way to a joyous earthly time and to eternal life **THESE PRECIOUS PEOPLE** Frances Cruz Espinosa,2007-10-24 The story you are about to read is not the complete story about my beloved parents and our family for I believe such an accomplishment is impossible Most of the information was derived mostly from pure memory since no other means were available i e notes documents recordings or sufficient shared information Also it does not include each and every incident that I remember and it is not intended to be a whole profile of their personalities and all their personal habits which I deem unimportant for the purpose of my story here and now **Thanks Be for These** Richard S. Gilbert,2013-01-29 There is an almost desperate quest for spirituality in our time The nones claim to be spiritual but not religious Gurus abound quick fixes are everywhere In Thanks Be for These the Rev Richard Gilbert provides a spiritual starting point for both the spiritual and the religious seeker Here is a collection of meditations written from the perspective of a mystical religious humanist Gilbert claims that gratitude is at the heart of the religious experience It is fundamentally a spiritual act We are grateful in the first place for being itself Everything else is a bonus This gratitude is expressed not in the philosophical abstract but in the existential concrete It is details of the everyday which make life worth living despite our finitude and the inherent messiness of existence Gilbert divides the book in two

sections
Thanksgiving for the blessings of being and Gratitude in Grief a collection of materials designed for memorial services at time of death
Thanks Be for These challenges us to dig deeply into the meaning of our lives
These meditations on gratitude place the responsibility of living gratefully squarely on us where it belongs
