## Very Small Home:

*The Very Small Home* Azby Brown, 2005 Building small can be a sign of higher ambitions and those who take the time to peruse these pages will undoubtedly grow to appreciate that creating a small home can be an amazingly positive and creative act one which can enhance life in surprising ways *The Very Small Home* presents stunning design advances in Japan Eighteen recent houses from ultramodern to Japanese rustic are explored in depth Particular emphasis is given to what the author call the Big Idea the overarching concept that does the most to make the house feel more spacious than it actually is Among the Big Ideas introduced here are ingenious sources of natural light well thought out atriums snug but functional kitchens unobtrusive partitions and free flowing circulation paths An introduction by the author puts the house designs in the context of lifestyle trends and highlights their shared characteristics For each project the intentions of the designers and occupants are examined The result is a very human sensibility that runs through the book A glimpse of the dreams and aspirations that these unique homes represent and that belies their apparent modesty The second half of the book is devoted to illustrating the special features in the homes from clever storage and kitchen designs to ingenious skylights and nooks As with his earlier *Small Spaces* Azby Brown has given home owners designers and architects a fascinating new collection of thought provoking ideas

**The Small Home** ,1930 **Proceedings of the Congress of the International Union of Game Biologists, XXII Congress** International Union of Game Biologists. Congress,1996 This volume contains 104 papers divided in 5 sections 1 Ornithofauna 2 Wild mammals 3 Game management 4 Game diseases 5 History and culture of hunting Most papers are in English some in German French and Russian A colour supplement presents information on hunting societies and forests in Bulgaria discussing management and culling techniques as well as village level eco preservation
