Sara Hopkinson

Vhf Afloat:

VHF Afloat Sara Hopkinson, 2008-11-14 VHF Afloat explains how to use your VHF DSC radio It covers licensing the equipment and gaining the operator certificate and then takes you through each type of call Each procedure is clearly illustrated using the yacht Sierra to show how the radio is used on a passage to communicate with marinas other vessels and the Coastguard including how a MAYDAY is managed by the rescue services Use VHF Afloat to help pass the assessment and then keep it on board when you need to make a call the facts will be right at your fingertips

Communications Afloat

Elbert S. Maloney, 1991 The ability to send and receive messages on the water is the most vital of all marine safety skills Maloney one of the nautical world's best known authorities has compiled a comprehensive user friendly handbook for VHS single side band CB and ham radios as well as cellular telephones intercoms NAVTEX and SATCOM Black and white photographs

The Skipper's Pocketbook Sara Hopkinson, Basil Mosenthal, 2025-11-04 A pocket database containing everything a busy skipper or their crew needs to know but might find hard to remember It is easy to take for granted how much a skipper needs to know Navigation how to pilot the boat into a new harbour using the radio checking the engine keeping an eye out for things that need repair monitoring the weather feeding the crew and much much more This pocketbook is designed as an aide memoire with checklists to make life easier for busy skippers and a must have reference for first time skippers It should also prove an invaluable reference book for the RYA Yachtmaster and other RYA course syllabi The book has been helping skippers for over 25 years and has been edited and thoroughly updated by Yachtmaster Instructor and Examiner Sara Hopkinson It has been streamlined to focus on the key things a skipper needs to know making it quicker to find what you need and all for less than 10

The Restoration Handbook for Yachts

Enric Rosello, 2018-04-24 Restoring a fibreglass yacht is not something for the faint hearted even if you don't intend to do all the work yourself you still need to understand the processes to be gone through But the satisfaction of the job well done not to mention the possible cost savings on buying a new yacht are immense Nevertheless it is not something that should be undertaken lightly and without careful consideration That is where this book comes in as Enric Rosell takes you through his restoration of a 30 year old 40 foot yacht Broken down into 46 chapters Enric details the stages of his restoration in chronological order For each he starts with an overview of the task and the thinking behind the approach he took Just these introductory pieces alone are ideal for someone contemplating a restoration of all or part of a boat to read before making the final decision as to whether to go ahead For those who decide to take on the challenge each overview is followed by an in depth step by step account of what they did accompanied by numerous informative photo sequences with over 800 colour photos in total The material in this book would be invaluable both to boat owners who are considering a complete overhaul and to those who have one or two smaller jobs to do All possible subjects are covered including dealing with osmosis the interiors deck rigging electrics and electronics plumbing engine galley heads and much more The author is very honest about

the amount of work and commitment required and also offers advice about when to call in the professionals and when to consider doing the work yourself Anyone contemplating a complete or partial restoration is advised to read this book beforehand so you know what is ahead and to follow its guidance if you decide to proceed
