Vietnam Choppers Simon Dunstan, 1988-01-25 No Marketing Blurb

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

photographs and descriptions of helicopters used by police and in the U S and Russian military **US Helicopter Pilot in Vietnam** Gordon L. Rottman,2011-09-20 A vivid and colourful exploration of the natural risk takers who fought in combat rescued injured soldiers and battled against the elements on an almost daily basis throughout the course of the war *The Vietnam War* DK,2017-04-04 The Vietnam War remains one of the most heroic and heartbreaking events in history This definitive guide charts the unforgettable story of the world s first televised war Created in association with the Smithsonian Institution this authoritative guide chronicles America s fight against Communism in southeast Asia during the 1960s and 1970s and comprehensively explores the people politics events and lasting effects of the Vietnam War Hundreds of insightful images and a compelling narrative combine to chronicle this catastrophic conflict From 1955 the communist government of North Vietnam waged war against South Vietnam and its main ally the USA Over the course of two decades of hostility and warfare the number of casualties reached an incomprehensible three million people Detailed descriptions of every episode including Operation Passage to Freedom and the evacuation of the American embassy in Saigon tell the stories in iconic photographs and eyewitness accounts Discover the real people behind the conflict with gripping biographies of key figures including Henry Kissinger General Thieu President Nixon and Pol Pot This incredible visual record is supported by locator maps at a glance timelines archive photography and key quotations to ensure an all encompassing experience The Vietnam War is an essential historic reference to help humanity learn the lessons of suffering and sacrifice from one of the bloodiest conflicts of the 20th century **Don't Cry For Us, Saigon** Major (Retired) Steven E. Cook,2019-02-27 The United States military did not lose the Vietnam War The South Vietnamese government lost the Vietnam War With many inaccurate books biased statements lack of understanding and facts I decided to write a Vietnamese history book with emphasis on the Second Indochina War This book will correct many of those misconceptions about the Vietnam War answer controversial questions and give readers a microcosm and basic dynamics of the Vietnam War I recorded and archived highlights of the Vietnam War and the accounts of American military heroes whose sacrifices and heroic exploits might otherwise be lost to history The poignant riveting and the gripping reality of war and the demons and misfortune of the Vietnam veterans will be depicted in the book This book is intended for a variety of audiences veterans family members gold star mothers organizations agencies clubs college students faculty and history buffs Search and destroy operations in South Vietnam will be described in comprehensive detail and why President Johnson later changed the name of search and destroy operations to reconnaissance in force This book will show that the worst atrocity of the Vietnam War occurred in the United States when America shunned and discriminated against its Vietnam War veterans and gold star mothers This book is a first person account of high school teenyboppers suddenly answering the call for duty and turning into elite combat warriors virtually overnight Vietnam War veterans saw and experienced horrific savage and direct combat repeatedly that humans aren t intended to see Testimonies of seasoned combat Airborne Infantry soldiers Pathfinders and Special Forces whose average age was twenty one will be

depicted through empirical vignettes These first person vignettes will describe the carnage of firefights mortar attacks the stench of human decay and flesh torn and broken and the camaraderie and bonds of men at war Do not judge these warrior leader heroes unless you have walked a mile in their jungle boots through a jungle in a combat environment Remember once upon a time we were all like you Myths of the Vietnam War will be refuted rebutted and debunked Agent Orange and other herbicides used in the Vietnam War will be discussed This book will help all veterans their families and America to better understand and come to some closure and aid in catharsis We are awesome It is chic and vogue to be a Vietnam veteran now

this is no shit allowed the solo pilots to learn from each other's experiences and mistakes The TINS within this collection reveal the brotherhood that developed between pilots and their crew chiefs in combat The solo pilots relied on their courage swapping stories and a bit of luck to survive A compelling collection of Vietnam helicopter true stories about the aviators in Americal Division's Artillery Aviation Section in 68 and 69 Flying alone the scout pilots told their exploits to each other daily to learn and to survive from their collective experiences Hazardous missions are intermixed with occasional humorous details of their off duty shenanigans The stories describe the brotherhood that develops between soldiers during combat From these stories the author a decorated former Army aviator describes his journey through Armor school flight school and Vietnam General Tommy Franks Ret Former Commander in Chief United States Central Command A very enjoyable read Those of us who were there will thoroughly enjoy it and those who weren't will learn more about what we did in Vietnam The VHPA Aviator *Black Cat 2-1* Bob Ford, 2015 Bob Ford recounts his service during the Vietnam War where he served as a helicopter pilot on a Black Cat Rattler One-Seven Chuck Gross, 2006-06-13 Rattler One Seven puts you in the helicopter seat to see the war in Vietnam through the eyes of an inexperienced pilot as he transforms himself into a seasoned combat veteran At the age of twenty Chuck Gross spent his 1970-71 tour with the 71st Assault Helicopter Company flying UH-1 Huey helicopters He inserted special operations teams into Laos and participated in Lam Son 719 a misbegotten attempt to assault and cut the Ho Chi Minh Trail during which his helicopter was shot down and he was stranded in the field *Snake Pilot* Randy R. Zahn, 2003 Flies the reader into combat with the same elite air cavalry unit portrayed in the film *Apocalypse Now* Major Problems in the History of the Vietnam War Robert J. McMahon, 1990 Designed to encourage critical thinking about history the Major Problems in American History series introduces students to both primary sources and analytical essays on important topics in U.S. history Major Problems in the History of the Vietnam War incorporates a spate of new research and a number of recently declassified documents concerning the Vietnam War Surprised at Being Alive Robert F. Curtis, 2014-12-30 From flying with the Screaming Eagles in Vietnam to serving with the Marines and the Royal Navy this memoir recounts the life of a career military pilot Sometimes it just isn't your day Whether your helicopter comes apart in flight due to equipment failure or another aircraft runs into you in midair or an enemy gunner lands his rounds in exactly the right spot to take you out of the sky That's why after twenty-four years and more than five thousand flight hours with four armed services Maj Robert Curtis was surprised to still be alive when he passed his retirement physical His flying career began in the thick of the war flying Chinooks over Vietnam with the 101st Airborne From there Curtis continued to serve with the National Guard while attending college By then flying had become an addiction for Curtis so he continued on with the Marine Corps and Royal Navy Over the next seventeen years he would fly off US and British ships from Egypt to Norway and all points in between Curtis flew eight different helicopters the wooden bladed OH-13E through the Chinook SeaKnight and SeaKing in war and peace around the world During that time many of his friends died in crashes both in combat and in

accidents But some combination of skill luck and superstition saw him through
