Village Display Tips Volume II:

Let's Travel the World: Volume II Jerry De Lange, 2025-06-16 Let's Travel the World Volumes I 2 and 3 depict author Jerry De Lange's travel experiences worldwide to include more than 200 countries. Each chapter represents one trip which could vary in length from one week to many weeks and each trip is an adventure from history to nature to sampling local foods and drinks. Jerry includes good experiences and bad and points out what to see where to stay and much more while adding some humor. Let's Travel the World is unique because it is through the eyes of a traveler but the intent is to capture the reader's interest in travel and provide guidance to make travel exciting and with minimal disappointments. Enjoy this book with your family, friends, and others who may have an interest in travel. About the Author: Jerry De Lange has served several years on the local hospital foundation but had to resign due to his extensive traveling. Music is a passion for him; he grew up as a rock n roll enthusiast. He has a mixing studio and a dance floor in his home. Jerry was seriously into archery competition for many years and continues to shoot recreationally. Jerry's parents are gone but he has one sister living in Eugene, Oregon and one daughter living in Atlanta plus a grandson in Memphis and Jerry is divorced. Gieringer, Sue Chretien, 2013-11 Stylistic Village Vignettes is the second book in the Village Vignettes Series following Realistic Village Vignettes. This book takes a different path to displaying miniature porcelain and ceramic village pieces. Instead of creating a logical village scene found in the Realistic Village Vignettes book, Stylistic Village Vignettes combines elements such as other collectibles, containers, objects, d'art, and more into fabulous vignettes conserving both space and time. Besides the traditional containers such as baskets, unique trays, and elegant serving pieces found at fine home decor centers, family heirlooms, thrift store, cast-offs, and garage sale finds can also enhance the proper village piece or pieces. Even if a lack of space or time prevents creating an extensive village setting, a village-focused collage can still showcase your favorite village pieces. Christmas was the impetus for most

village collections There are numerous Christmas related suggestions but there are also ideas for the smaller holidays such as Valentine s Day and Easter Spring and Autumn are not forgotten and of course Halloween has its own chapter A special chapter has also been included by Sue Chretien a master at developing stylistic displays She is constantly on the hunt for dramatic ways to enhance her vignettes many of them featuring food related pieces finding their way into the kitchen and dining areas In addition to Sue over forty other village collectors have contributed to this excellent display resource sharing their ideas and providing creative inspirations as starting points for other collectors to appreciate their village pieces in a different way They say a picture is worth 10 000 words This book as well as Realist Village Vignettes are filled with excellent photographs depicting hundreds of ideas to implement And even if a collector doesn t have the exact same pieces many of these ideas can be tweaked using your favorite pieces If space or time are limited just about everybody has some flat space somewhere to showcase at least a couple of pieces alone or in conjunction with a prized something passed down through the generations In combination they are worth much more than the sum of their parts Therefore if you find you no longer have the space or the time or the energy to plan and create an awesome village display scene try developing a dynamic smaller Stylistic Village Vignettes Other Books by Village Display Tips The Original Village Display Tips Village Display Tips Volume II More Village Display Tips Display Building on a Budget Realistic Village Vignettes Stylistic Village Vignettes DVDs by Village Scaping Halloween 101 Halloween 102 Village Vignettes DVD Creating Large Displays A Christmas Story [Cultural Landscape Report for Appomattox Court House National Historical Park, Appomattox, Virginia](#) Jeffrey Killion, Sara Sanchez (Landscape designer), Kristi Lin, Margie Coffin Brown, H.
