Voices Carry:

Voices Carry Ying Ruocheng, Claire Conceison, 2009 *Voices Carry* is the moving autobiography of one of China's most prominent citizens of the twentieth century. Beginning with his imprisonment during the Cultural Revolution, Ying Ruocheng's narrative takes us through unexpectedly amusing adventures during his incarceration, before flashing back to his childhood and the legacy of his elite Manchu Catholic family. An internationally renowned actor, director, and translator, Ying also held a high government post as vice minister of culture before and during the events in Tiananmen Square in 1989. Detailing his experiences in the 1930s and 1940s during China's civil war and revolution, as well as his theatrical work in the reform era, episodes ranging from his partnership with Arthur Miller on *Death of a Salesman* to his roles in the films *The Last Emperor* and *Little Buddha*. Ying Ruocheng's memoir provides a rare glimpse behind the scenes of contemporary Chinese culture and politics.

Voices Carry Mariah Stewart, 2010-11-16. Featuring two fascinating characters from her acclaimed bestseller *Brown Eyed Girl*, Mariah Stewart delivers a page-turner of passion and suspense that brings the dangerous past of FBI agent Genna Snow back to life. FBI agent Genna Snow's successful career cannot fully erase the heartache of a shattered childhood. After breaking the silence surrounding the abusive acts of a summer camp counselor, young Genna was abandoned by her family even as justice was being served in the courtroom. Years later, Genna was forced to relive the pain of abandonment when the man she loved, special agent John Mancini, walked out of her life without explanation. Now having returned from his own private hell, John is determined to win Genna back even as she struggles to keep their relationship strictly professional. Genna is selected for a special FBI team led by John, charged with tracking down the person behind a series of seemingly random abductions of young women across the country. As a terrifying pattern begins to emerge, Genna faces the chilling realization that someone else from her past may be on the way back into her life and that she stands in danger of losing more than just her heart.
