**Letters Home** Bishop Asbury Cook, Donald R. Hunt (Sr.), 2000 The news has come that the Rebel Bragg's army is whipped and cut to pieces One whole regiment come over to our side so I guess Kentucky is sick of fighting against the Union It is near 12 o'clock and we have been taking up our tents and putting them in line so we have quite a village To see the fortifications forts and cannons that are planted here is astonishing There is men enough too Regiment after Regiment I am not discontented in the least I see no hardship but what I can endure for the good of my country The 144th Regiment of the New York Volunteer Infantry signed up its first recruit Bishop Asbury Cook on August 12 1862 and Cook remained with the regiment until it mustered out in July 1865 The letters contained in this volume span Cook's career with the regiment Letters written by Cook to his wife Louisa

Maria Alexander Cook are grouped by month and describe the daily activities and everyday concerns of the average soldier. Each month's section contains a chronology of events for the Civil War nationwide, a chronology of events within the 144th Regiment, and a history of the regiment. Supplemental historical background enhances and sometimes contrasts with the contents of Cook's letters.

*I Remain Yours* Christopher Hager, 2018-01-08 For men in the Union and Confederate armies and their families at home, letter writing was the sole means to communicate. Taking pen to paper was a new and daunting task, but Christopher Hager shows how ordinary people made writing their own and how they in turn transformed the culture of letters into a popular, democratic mode of communication.

German Soldiers in the Great War Bernd Ulrich, Benjamin Ziemann, 2012-09-20 The first English translation of writings that capture the lives and thoughts of German soldiers fighting in the trenches and on the battlefields of WWI. *German Soldiers in the Great War* is a vivid selection of firsthand accounts and other wartime documents that shed new light on the experiences of German frontline soldiers during the First World War. It reveals in authentic detail the perceptions and emotions of ordinary soldiers that have been covered up by the smokescreen of official military propaganda about heroism and patriotic sacrifice. In this essential collection of wartime correspondence, editors Benjamin Ziemann and Bernd Ulrich have gathered more than two hundred mostly archival documents, including letters, military dispatches, and orders, extracts from diaries, newspaper articles, and booklets, medical reports, and photographs. This fascinating primary source material provides the first comprehensive insight into the German frontline experiences of the Great War, available in English for the first time in a translation by Christine Brocks.
