United States of Socialism Dinesh D'Souza, 2020-06-02 The New York Times USA Today Publishers Weekly and Wall  
Street Journal Bestseller For those who witnessed the global collapse of socialism its resurrection in the twenty first century  
comes as a surprise even a shock How can socialism work now when it has never worked before In this pathbreaking book  
bestselling author Dinesh D Souza argues that the socialism advanced today by the likes of Alexandria Ocasio Cortez Bernie  
Sanders Ilhan Omar and Elizabeth Warren is very different from the socialism of Lenin Mao and Castro It is identity socialism  
a marriage between classic socialism and identity politics Today s socialists claim to model themselves not on Mao s Great  
Leap Forward or even Venezuelan socialism but rather on the socialism that works in Scandinavian countries like Norway  
and Sweden This is the new face of socialism that D Souza confronts and decisively refutes with his trademark incisiveness  
wit and originality He shows how socialism abandoned the working class and found new recruits by drawing on the  
resentments of race gender and sexual orientation He reveals how it uses the Venezuelan not the Scandinavian formula D  
Souza chillingly documents the full range of lawless gangster and authoritarian tendencies that they have adopted United  
States of Socialism is an informative provocative and thrilling expos not merely of the ideas but also the tactics of the  
socialist Left In making the moral case for entrepreneurs and the free market the author portrays President Trump as the  
exemplar of capitalism and also the most effective political leader of the battle against socialism He shows how we can help  
Trump defeat the socialist menace **Greatest of Men, Washington** Alfred Watterson McCann, 1927 It is easy to find the  
real Washington and to wish to guide a neighbor to his shrine smacks so of the badge and ceremony of presumption that only  
an extraordinary occurrence can justify another addition to the Mt Vernon shelves But love mixed with indignation will  
eagerly stoop to any folly Hence in these short chapters the idly curious the new iconoclasts the ultra sophists the super  
critics and the old adorers will find cross examination and rebuttal evidence and summation The real Washington is here The  
Washington of proof is here Fresh contrasts and startling contradictions are here all the half truths broken into bits the  
whole falsehoods dissolved in lye Preface page vii *The Cause* Joseph J. Ellis, 2021-09-21 New York Times Book Review
