T E Lawrence:

The Essential T.E. Lawrence Thomas Edward Lawrence, 1951 Extracts from Lawrence's letters and diaries from Seven Pillars of Wisdom and from the unpublished *The Mint* presenting his life in his own words *The Letters of T.E. Lawrence* Thomas Edward Lawrence, 1939 T E Lawrence was remarkable among other things for the quality of his letters It is not just that they are interesting and well written they also provide intriguing links to different aspects of British life in the first half of the twentieth century As many have discovered an interest in Lawrence can quickly become a gateway to the history and culture of his time He corresponded with writers such as John Buchan E M Forster David Garnett Robert Graves Siegfried Sassoon and Bernard Shaw artists such as Augustus John Eric Kennington Paul Nash William Roberts and William Rothenstein archaeologists and travellers such as Gertrude Bell C M Doughty and D G Hogarth and public figures such as Nancy Astor Winston Churchill and Lord Trenchard Lawrence's career and personality often provoked strong reactions in people he met Some admired and respected him Others questioned his achievements and resented his post war enlistment Someone's reaction to Lawrence often provides clues to their attitudes towards other topics T.E. Lawrence Malcolm Brown, 2003-10 From the British Library archives comes a new brief biography of one of the world's most intriguing personalities **Lawrence of Arabia** Biography, 2008-04-01 Lawrence of Arabia Biography of T E Lawrence is a biography of T E Lawrence was a renowned British soldier known for his role as a liaison during the Arab revolt in the early 20th century Lawrence became a object of fascination around the whole world due to his dynamic personality and writings and variety of activities and associations He gained his popular public image due to American journalist Lowell Thomas's sensationalised reporting of the Revolt Lawrence of Arabia Biography of T E Lawrence is highly recommended for those interested in the life and story of T E Lawrence Backing Into the Limelight Michael Yardley, 1985 **WITH LAWRENCE IN ARABIA - The Recorded Adventures of T.E. Lawrence in Arabia** Lowell Thomas, 2020-06-02 Herein are the facts of the story of T E Lawrence and his adventures and achievement in Arabia collated by Lowell Thomas April 6 1892 August 29 1981 and his cameraman Harry Chase who traveled with T E Lawrence during 1917 and 1918 In Thomas own words To do this I must turn back the pages of time to the days when accompanied by my photographic colleague Mr Harry A Chase and two other assistants I left America to gather information and secure a pictorial record of the various phases of the struggle that was then in progress all the way from the North Sea to far off Arabia We had set forth early in 1917 and were expected to return at the end of a year or so to help in the work of stimulating enthusiasm for the Allied cause First we went to the Western Front but the trenches had little to inspire the American public We then went to Italy where he heard of General Allenby's campaign against the Ottoman Empire in Palestine We travelled to Palestine as an accredited war correspondent where in late 1917 we met Capt T E Lawrence in Jerusalem It is from this point on I began to collect the pieces of the story of Allenby's conquest of the Holy Land and the hitherto unknown story of Lawrence and the war in the Land of the Arabian

Nights which was later dramatised in the film Lawrence of Arabia During the time that Mr Chase and I were in Arabia I found it impossible to extract information from Lawrence himself regarding his own achievements He insisted on giving the entire credit to Emir Feisal and other Arab leaders and to his fellow adventurers Colonel Wilson of the Sudan Newcombe Joyce Dawney Bassett Vickery Cornwallis Hogarth Stirling etc all of whom did magnificent work in Arabia So to them I went for much of my material and I am indebted to various members of this group of brilliant men whom General Clayton used in his Near Eastern Secret Corps Eager to tell me of the achievements of their quiet scholarly companion they refused to say much about themselves although their own deeds rivaled those of the heroes of The Arabian Nights However there are others infinitely better qualified than I to give the world a full account of the Arabian Revolution But it is to Lawrence himself that we must look for the inside story of the war in the Land of the Arabian Nights 10% of the profit from this book will be donated to charities Yesterday s Books for Today s Charities
