The Big Red Machine

Daryl Smith

The Big Red Machine:

Riverfront Stadium Mike Shannon, 2003 Riverfront Stadium which opened in 1970 hosted the greatest team in Cincinnati Reds baseball history. In fact, the Big Red Machine was one of the greatest teams in all of Major League baseball history. Johnny Bench, Joe Morgan, Pete Rose, and company won two World Series championships, four National League pennants, and made six post-season appearances in a single decade. Riverfront Stadium, home of the Big Red Machine, captures all of the glory of the 1970s as well as other legendary moments in the ballpark's 32-year history with nearly 200 classic photographs and narrative that brings the author's knowledge of baseball and love for the game to every page.

Making the Big Red Machine Daryl Smith, 2009-05-18 With a line-up that included future Hall of Famers Johnny Bench, Joe Morgan, Tony Perez, and Pete Rose, Cincinnati's Big Red Machine powered its way in the 1970s to six division titles, four pennants, and two World Series. Three other times in that decade they finished second in their division to the eventual pennant winner. While much has been written about the players and manager Sparky Anderson, no book until now has given adequate attention to the man behind the Machine, general manager Bob Howsam. From his hire in 1967 through the end of his first stint with the Reds in 1978, Howsam brought about a remarkable change in fortune for the Reds, who had claimed only one pennant in the 26 years before his arrival. This detailed history of baseball's last dynasty shows not only how the team performed but why, delving into the off-field strategy and moves behind the Reds' success.

Network World, 1998-12-21 For more than 20 years, Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations.
