The Wolf Hunters James Oliver Curwood,2023-01-02 *The Wolf Hunters* A Tale of Adventure in the Wilderness by James Oliver Curwood is a thrilling tale of adventure in the Canadian wilderness and a classic nature adventure novel set in the Arctic *The Wolf Hunters* is the prequel to *The Gold Hunters* The main character of *The Wolf Hunters* is a young American boy who has become a friend of a young Native American He goes to Canada to hunt and trap with a friend in the hopes of making money to support his mother While there the two boys come into a mysterious cabin and learn a truth that has been kept hidden for fifty years A tale of danger and adventure of friendship and trust Later they spend a lengthy period of time in a remote cabin during a severe winter constantly on the lookout for a hostile nearby tribe In this book which James Curwood wrote he portrays the struggle for survival in the Canadian wilderness at the turn of the century The author weaves themes of exploration discovery and survival throughout the harsh but stunning setting he describes *The Wolf Hunters* James Oliver Curwood,2017-03-03 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide **Corbin's Advice, Or the Wolf Hunter's Guide** Benjamin Corbin,2016-06-22 Excerpt from *Corbin s Advice or the Wolf Hunter s Guide* Tells How to Catch Em and All About the Science of Wolf Hunting I have always loved nature and stuck close to her and I will try to do it in this book If I have read my Bible correctly Abraham was one of the first shepherds In Genesis we read that he was rich in cattle in silver and in gold something like the ranch men and stockmen of North Dakota Indeed the pastoral life preceded every other profession The Patriarchs were all shepherds Every prayer to the Lord was accompan ied by a sacrifice from the ocks and herds When Abra ham dug a well and there was a dispute about it he set tied the whole thing with seven ewe lambs and called the 3 place An Oath Those shepherds wandered from place to place wherever there was the best pasture just as we do in Dakota any more than the land of Canaan was nothing to be compared with Dakota for grazing When Jacob went a courting he hadnt t a thing but a shepherd s crook but before he return ed he had two wives and ocks and herds beyond computation Even in later times a young fellow who was out tending a ock was called to be King of Israel about the only good king we ever had that was David He was keeping sheep that very day He had guarded the ocks from the ravages of bear and wolf and lion and slain them with his own hands and yet he made a goodsoldier a peerless king and the greatest poet that ever lived Later on we should never forget that the Star of Bethlehem was first seen by rthe shepherds tending their ocks by night Virgil first sang the praise of shepherd life in his bucolics before he sang the praise of the arms and the man All sacred and classic history is replete with descriptions of Pastoral Life All the world knows that astronomy was first made a science by the shepherds
