**Detective Tales in One Volume** Melville Davisson Post, 2017-05-29 Uncle Abner the mystery solving West Virginian backwoodsman is the best known literary creation of Melville Davisson Post Uncle Abner solved the mysteries that confronted him in a backwoods West Virginia community immediately prior to the American Civil War and before the infant nation had any proper police system He had two great attributes for his self imposed task a profound knowledge of and love for the Bible and a keen observation of human actions One example of Uncle Abner s keen deductive skills is his showing a deaf man had not written a document because a word in it was phonetically misspelt The first one of these tales The Angel of the Lord is perhaps the very first work in the historical mystery genre Melville Davisson Post 1869 1930 was an American author born in West Virginia Although his name is not immediately familiar to those outside of specialist circles many collections of detective fiction include works by him Post s best known character is the mystery solving justice dispensing West Virginian backwoodsman Uncle Abner Table of Contents The Doomdorf Mystery The Wrong Hand The Angel of the Lord An Act of God The Treasure Hunter The House of the Dead Man A Twilight Adventure The Age of Miracles The Tenth Commandment The Devil s Tools The Hidden Law The Riddle The Straw Man The Mystery of Chance The Concealed Path The Edge of the Shadow The Adopted Daughter Naboth s Vineyard [Heart in Conflict](#) Michael Grimwood, 2009-01-01 Heart in Conflict is a study of two periods of intense vocational crisis in William Faulkner s career as a writer his time of apprenticeship before the composition of The Sound and the Fury and the beginnings in the late 1930s and early 1940s of the long season of decline that followed the completion of Absalom Absalom These periods of crisis Michael Grimwood argues grew out of an ongoing tension between the divided components of Faulkner s personality between two versions of himself the illiterate bumpkin and the sophisticated aesthete It was a collaboration between these two postures that formed Faulkner s vocation that created the impulse to translate the rural unlettered world of Oxford Mississippi into a literature of the highest ambitions But Faulkner was neither bumpkin nor aesthete His awareness of the fraudulence of both his self images and ultimately his art caused him to create beginning with The Wild Palms in 1939 novels divided against themselves both structurally and thematically novels whose complexities emanate from their author s own complex personality Grimwood traces the formation of Faulkner s divided personality in his childhood and youth in the conflicting influences of literature and landscape in the conflicting urges wrought by a mother who called him to the rigors of the schoolhouse and a father whose interests led to the diffuse pleasure of the world outside The conflict gained dimension when Faulkner s earliest poems written in the style of the European pastoral were mocked by students in the pages of the University of Mississippi literary magazine Faulkner internalized this mockery and it would emerge in the late 1930s and early 1940s as a destructively self critical compulsion to write novels The Wild Palms The Hamlet Knight s Gambit and Go Down Moses that were simultaneously pastoral and mock pastoral that reflected both an impulse to bequeath his own substance through words and a virtual surrender to illiteracy In many ways the tensions that divided Faulkner tensions between pastoral ideal and

rural reality between flights of language and attachment to the wordless soil also divided the whole of southern literature and society from the time of its origins Such conflicts can be found in the writings of Thomas Jefferson philosopher of democracy and slaveowner in the southwestern humor and plantation fiction that dominated southern letters in the 1830s and in the works of the agrarian writers of the 1930s whose European poesy belies their dirt road political beliefs Showing how the tensions in the narratives mirrored tensions in the author and in his society Heart in Conflict reveals William Faulkner as he struggled with his inheritance both as a southerner and as a southern writer     *UNCLE ABNER : MASTER OF MYSTERIES* MELVILLE D.
