

# Viking Age

**Paul B. Du Chaillu**

## Viking Age:

*The Viking Age* Angus A. Somerville, R. Andrew McDonald, 2014-09-22 In assembling translating and arranging over a hundred primary source readings Somerville and McDonald successfully illuminate the Vikings and their world for twenty first century students and instructors The diversity of the Viking Age is brought to life through the range of sources presented and the geographical and chronological coverage of these readings The Norse translations many of them new to this collection are straightforward and easily accessible and the chapter introductions contextualize the readings while allowing the sources to speak for themselves The second edition of this popular reader has been revised and reorganized into fourteen chapters Nearly twenty sources have been added including material on children games and entertainment and runic inscriptions as well as new readings on the martyrdom of Alfeah the life of Saint Findan and the martyrdom of Saint Edmund The reader can be paired for classroom use with its companion volume *The Vikings and Their Age* authored by Somerville and McDonald Together these books provide comprehensive coverage for a course on the Vikings Additional resources such as a detailed bibliography and instructions on reading skaldic poetry can be found on the History Matters website [www.utphistorymatters.com](http://www.utphistorymatters.com)

*The Viking Age* Paul Belloni Du Chaillu, 1889

**Ships and Men in the Late Viking Age** Judith Jesch, 2001

Machine generated contents note

1 Introduction Rocks and Rhymes The Karlevi stone Runic inscriptions skaldic verse and the late Viking Age Literacy and orality The runic corpus The skaldic corpus Verse in prose contexts Reconstructing viking verse The manuscript transmission Viking verse as a historical source Semantic study of skaldic verse and runic inscriptions Skaldic vocabulary in context Runes and semantics Comparative angles Sources and conventions Ships and men in the late Viking Age

kings Royal and other ships in the eleventh century After the Viking Age Conclusion Works cited Appendix I The runic corpus Appendix II The skaldic corpus Index of words and names General index **Women in the Viking Age** Judith Jesch,1991 Through runic inscriptions and behind the veil of myth Jesch discovers the true story of viking women Well illustrated closely argued and fascinating GUARDIAN This is the first book length study in English to investigate what women did in the Viking age both at home in Scandinavia and in the Viking colonies from Greenland to Russia Evidence for their lives is fragmentary but Judith Jesch assembles the clues provided by archaeology runic inscriptions place names and personal names foreign historical records and Old Norse literature and mythology These sources illuminate different aspects of women s lives in the Viking age on the farms and in the trading centres of Scandinavia abroad on Viking expeditions and as settlers in places such as Iceland and the British Isles **Women in the Viking Age** explores an unfamiliar aspect of medieval history and offers a new perspective on Viking society very different from the traditional picture of a violent and male dominated world JUDITH JESCH is Reader in Viking Studies at the University of Nottingham [The Viking Age](#) Paul Belloni Du Chaillu,1889 *The Age of the Vikings* Anders Winroth,2014 Introduction The fury of the Northmen Violence in a violent time Roriks at home and away Viking age emigration Ships boats and ferries to the afterworld Coins silk and herring Viking age trade in Northern Europe From chieftains to kings At home on the farm Religions of the north Runes arts and letters Epilogue The end of the Viking age **Social Scandinavia in the Viking Age** Mary Wilhelmine Williams,1920 *Viking Age* Kirsten Wolf,2013 Though infamous for their pirating and raiding active Vikings were actually only a tiny fraction of the total Scandinavian population during the so called Viking Age This exploration of their culture goes beyond the myths into the prosaic realities and intimate details of family life their attitude toward the more vulnerable members of society their famed longships and extensive travels and the role they played in the greater community In addition to images and maps a timeline lays out Viking history **The Viking Age** Angus A. Somerville,R. Andrew McDonald,2019-11-20 In this extensively revised third edition of *The Viking Age A Reader* Somerville and McDonald successfully bring the Vikings and their world to life for twenty first century students and instructors The diversity of the Viking era is revealed through the remarkable range and variety of sources presented as well as the geographical and chronological coverage of the readings The third edition has been reorganized into fifteen chapters Many sources have been added including material on gender and warrior women and a completely new final chapter traces the continuing cultural influence of the Vikings to the present day The use of visual material has been expanded and updated maps illustrate historical developments throughout the Viking Age The English translations of Norse texts many of them new to this collection are straightforward and easily accessible while chapter introductions contextualize the readings [Tracing Textile Production from the Viking Age to the Middle Ages](#) Ingvild Øye,2022-05-05 This book concerns textile production at the fringes of north western Europe areas in western Norway and the North Atlantic in the expanding dynamic and transformative period from the early Viking Age into the Middle Ages

Textiles constitute one of the basic needs in human life to protect and keep the body warm but also to show social status and affiliations. Textiles had a wide spectrum of use areas and qualities, fine and coarse in various contexts and in the Viking Age not least related to the production of sails, all essential for the development and character of the period. So what were the tools and textiles like, who made them, who used them, and who exposed them? By tracing textile production from the remains of tools and textiles in varied landscapes and settings, Viking Age graves and in situ workplaces from the whole period, and combining this with textual information, many layers of information are exposed about technology and qualities, as well as gender, gender roles, social relations, power, and networks. By combining tools, textiles, and texts in various settings, this book aims to contextualize dispersed archaeological finds of tools and textiles to uncover patterns across larger areas and in a long-term perspective of half a millennium.

**The Viking Age** Charles Keary, 2018-04-20. The present volume is concerned with that period in the history of the Scandinavian peoples when they were growing but had not yet fully grown into nationalities and when therefore their true national history had not begun. Every historic people has passed through this early formative period, its age of Sturm und Drang, and it may be said that every nationality which is worthy of the name has looked back upon that age with a peculiar affection and with a sort of reverence. It has in consequence overlaid the faint traditions of it with a garment of mythology, out of which it is in most cases possible only here and there to separate a shred of historical truth. The result is that the very phase in the development of the people about which we most long to know is the one about which we are condemned to the completest ignorance. The Viking Age of the Northern Folk differs from the corresponding epochs in the history of other nations in this that it is illuminated by a faint ray of real history, lent from the pages of contemporary but alien chroniclers, the chroniclers I mean of Christian Europe. Were it not for this faint gleam, the earliest age of the Vikings would have remained for us as a mere tradition, something known to have been but not presentable in any realizable form. Much in fact what the Dorian Migration is in the history of Greece, as it is by the aid of the contemporary records, I have spoken of, we can present the northern migration in a clearer guise.

**The Viking Age** Paul B. Du Chaillu, 2016-11-08. *The Viking Age: The Early History, Manners and Customs of the Ancestors of the English Speaking Nations, Vol II* is an unchanged, high quality reprint of the original edition of 1890. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher, we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

*Scandinavian History in the Viking Age* Martin Syrett, 2003. *The Viking-Age Rune-Stones* Birgit Sawyer, 2000-12-07. There are over 3 000 runic inscriptions on stone made in Scandinavia in the late Viking Age. This book is the first attempt by a historian to study the material as a whole. The analysis reveals significant regional variations that reflect the different stages in the process of conversion to Christianity and the growth of

royal power Many monuments were declarations of faith or manifestations of status but virtually all reflect inheritance customs found in later Scandinavian law codes The results of this analysis make a significant contribution to understanding developments in other parts of the Germanic world as well as Scandinavia The inclusion of a digest of the data base on which this book is based will facilitate further study of this rich vein of evidence *The Viking Age* Paul Belloni Du Chaillu,1889

**Viking Age Denmark** Else Roesdahl,1982 **Nordic Religions in the Viking Age** Thomas Andrew

DuBois,1999-08-03 This work differs from previous examinations in its inclusion of the Christian thirteenth century as part of the evolution of Nordic religions from localized pagan cults to adherents of a larger Roman faith *SILVER ECONOMY IN*

*THE VIKING AGE* James Graham-Campbell,Gareth Williams,2007 In this book contributions by archaeologists and numismatists from six countries address different aspects of how silver was used in both Scandinavia and the wider Viking world during the 8th to 11th centuries AD The volume brings together a combination of recent summaries and new work on silver and gold coinage rings and bullion which allow a better appreciation of the broader socioeconomic conditions of the Viking world This is an indispensable source for all archaeologists historians and numismatists involved in Viking Studies

*Vikings* ,2026-03-26 A colourful exploration into the history training weapons lifestyles and legacy of the Vikings Year  
Book of the Viking Society for Northern Research Viking Society for Northern Research,1924
