Things That Fly:

The Puzzle of Poetry John Marsh, 2020-04-07 The Puzzle of Poetry offers students a readable reliable guide to understanding poetry Instead of carving poems up into their elements The Puzzle of Poetry describes how experienced readers of poems go about understanding them Each line sentence or syntactical unit in a poem is a clue to the puzzle As with crossword puzzles figuring out the answer to one clue can help you figure out the answer to others This book teaches the reader to check what they know in a poem against what else they know to find meaning a systematic but creative approach that can help language to come alive Each chapter contains a lively and personal discussion of one part of the art of reading poetry a short guide to writing about poetry is also included The book introduces students to a variety of poems from Anglo Saxon verse to Hamilton and Jay Z
